Will the House agree to the amendment?

Mr. AUKER. Mr. Speaker, I ask for a slow roll call.

Mr. ANDREWS. If the gentleman asks for a slow roll call on these amendments, he will ask for a slow roll call on every measure that comes before this House.

I want to send this particular bill to a Conference Committee because I believe the Appropriations Committee has short-changed the school authority. The amendments will go to a Conference Committee, and the House will than have the privilege of passing upon the report of the Conference Committee if the Senate does not agree.

Mr. AUKER. Mr. Speaker, I would like to interrogate the gentleman from Cambria, Mr. Andrews.

The SPEAKER pro tempore. Will the gentleman from Cambria, Mr. Andrews, permit himself to be interrogated?

Mr. ANDREWS. I shall, Mr. Speaker.

Mr. AUKER. Mr. Speaker, I apologize for my lack of knowledge on this particular bill. I just haven't had time to read all of them, check all of them. What is the appropriation in the original bill without the amendment?

Mr. ANDREWS. The school authority requested $900,000. The budget office cut it to $800,000, which the school authority management considered a minimum. The Appropriations Committee cut it to $700,000. It is our belief as members of the school authority that the authority cannot possibly operate on $700,000, and we would like to have the matter go to a Conference Committee to report again to the House.

Mr. AUKER. I would like to ask the gentleman on what facts he bases his belief that the appropriation should be increased over the last budget of 1951-1953.

Mr. ANDREWS. I have not the time to go into that. I have been a member of the school authority; I have watched its operation at close range, and I have gone over its budget. It is my belief that the management, the executive director's budget has been cut to a minimum, and the school authority cannot provide proper inspection for the buildings that are being erected by the school authority.

If we are going to get a square deal, and the districts are going to get the proper amount of money, there must be adequate inspection. The reduction to $700,000 to my mind will not enable the authority to inspect the projects that are now under way in proper fashion.

Mr. AUKER. Mr. Speaker, in view of the explanation made by the gentleman from Cambria, Mr. Andrews, I will withdraw my request for a slow roll call, but desire to be recorded as voting "No" on the amendment.

On the question recurring,

Will the House agree to the amendment?

It was agreed to.

On the question,

Will the House agree to the bill on third reading as amended?

It was agreed to.

Ordered, that the bill as amended lie over for printing.

Agreeably to order,

The House proceeded to the third reading and consideration of Senate Bill No. 581, as follows:

An Act making an appropriation to the Department of Welfare for the purpose of administering the "Pennsylvania Hospital Survey and Construction Act of 1947"

DuBois,

NOT VOTING—1

Watkins,

The majority required by the Constitution having voted in the affirmative, the question was determined in the affirmative.

Ordered, That the Clerk return the same to the Senate with information that the House of Representatives has passed the same without amendment.

Agreeably to order,

The House proceeded to the third reading and consideration of Senate Bill No. 627, entitled:

An Act making an appropriation to the Department of Forests and Waters to defray expenses of official guests of the Commonwealth

On the question,

Will the House agree to the bill on third reading?

Mr. AUKER. Mr. Speaker, will somebody explain to me the purpose of this bill. It seems to me that we are pretty nearly running as wild now as we did in 1951 and 1949. I would like to have somebody explain the need for this and the purpose of it.

Mr. WOOD. Mr. Speaker, I understand that they are having a celebration down at the Washington Crossing Park and they want to have all the governors of the thirteen original states there to hold this celebration. That is what the $5,000 is for.

Mr. AUKER. Mr. Speaker, a couple months ago we voted for a deficiency appropriation of $7,500 so that the people down at Brandywine Park could have a glorious celebration at the expense of the taxpayers of this state, and that bill passed.

Here we are right back with the same kind of thing loading another financial burden on the people of Pennsylvania for this sort of social frivolity that we do not have any business financing at this particular economic time. I am sorry it is on the calendar, and I wish everybody would vote "no".

BILL PASSED OVER

There being no objection

Senate Bill No. 627, Printer's No. 479

was passed over at the request of the Speaker.

PERMISSION TO ADDRESS HOUSE

Mr. ANDREWS asked and obtained unanimous consent to address the House.

Mr. ANDREWS. Mr. Speaker, I would like to call the attention of the House to the fact that if a slow roll call reveals the absence of a quorum, you will precipitate this Session into the middle of next week. We may not on some of these measures have a quorum in the House, and if we reveal to the world that we do not have a quorum, we will have to wait until we do.

QUESTION OF PERSONAL PRIVILEGE

Mr. HOCKER. Mr. Speaker, I rise to a question of personal privilege.

The SPEAKER pro tempore. The gentleman will state it.

Mr. HOCKER. To answer Mr. Andrews, and I respect the gentleman's ability and his fairness, and he has always been fair as far as I am concerned, but yesterday we Members of this House sat here for two hours and listened while they eulogized the Mayor of Philadelphia and everybody in Philadelphia, and we were perfectly willing to do it. Now we are getting down to the place where this House is very, very light, and I myself personally last night watched the cars, some of them from Philadelphia, the minute that bill was passed, they jumped in their cars and went home.

In fairness to everybody in this House, to us Members who are sticking here—and some live much farther away than the Members from Philadelphia—they are here trying to do a job, I am going to be here trying to do a job, Mr. Andrews is going to be here trying to do a job, and so is every other Member of this House, who, when he took his oath, stated he would do a job, and he meant what he said.

Whether this thing goes until Christmas, I for one am not going to sit in my seat and watch these bills fly over and put over a lot of legislation that is no good to my mind. If it means calling these Members back to finish this Session, I am perfectly willing to make the move to do it. We are all good, honest people here and we are trying to do a job for the Commonwealth. We are willing to stay here in these closing days and try and do a job. If it means bringing them back to do that job—yesterday I saw some good legislation go down the drain because of the fact that some people jumped up in this Hall and asked that only those being here should be recorded, and good legislation went down the drain.

The reason for that is this. The administration bills are through; they are gone, they are over the hill. This legislation here belongs to these poor hard-working Members who are willing to stay and get it through, and they are losing good legislation.

PERMISSION TO ADDRESS HOUSE

Mr. ANDREWS asked and obtained unanimous consent to address the House.

Mr. Speaker, I merely want to suggest to the gentleman from Dauphin that there are other ways of disposing of bills than by calling the Members back and killing them. If the bill goes over and over and over on the calendar, it expires because of its own weight. If it were a very, very important measure that was at issue, perhaps it would be expedient to bring Members back, but it is only when we have a light House that it is necessary for any Member to raise objection and the bill goes over. Then if the bill is important enough, having gone over, to send for Members, that can be done.

I suggest to the Members that the Chair said the bill would go over. There was no objection, and it will probably continue to go over tomorrow and Monday.

PERMISSION TO ADDRESS HOUSE

Mr. GLEASON asked and obtained unanimous consent to address the House.

Mr. GLEASON. Mr. Speaker, I am in complete accord with Mr. Hocker with respect to Members getting back into this House and getting this Session over. I stay down

here every day and I have a lot of work back home to do. I am willing to stay here all next week to get this job done the same as this gentleman or anyone else who has been staying here. I do not care whether the Chair has to call those Members back or what you have to do, but I think they ought to be here. They ran for this office and said they would be down here to do a job, and half of them are not here to do it.

PERMISSION TO ADDRESS HOUSE

Mr. AUKER asked and obtained unanimous consent to address the House.

Mr. Speaker, yesterday I asked that a bill go over and took a licking on it, which I object to and, of course, called up for a vote. That sometimes works and sometimes does not work.

What I am concerned about is that on the passage of the sales tax, there were a lot of us who voted for the sales tax in view of the fact that every economy would be effected on the part of the administration. That was a promise definitely made. Now I see that promise going down the drain so fast that you cannot even see it going. And I resent that.

As the gentleman from Cambria, Mr. Andrews, said, promises are promises and should be kept. I keep mine and I expect others to keep theirs.

I ask that this next bill, 630, Printer's No. 503, go over in order.

BILLS ON THIRD READING

Section 3 The sum of seventy-five thousand dollars ($75,000) or as much thereto as may be necessary is hereby appropriated to the Department of Property and Supplies for the payment of the acquisition of such tracts of

land and expenses incidental thereto including the completion of an abstrtct of title thereon

Section 4 The sum of twenty thousand dollars ($20,000) or as much thereof as may be necessary is hereby appropriated to the Department of Property and Supplies for the construction and maintenance of facilities within the State Farm Show Building and State Farm Show arena or either of them for the purpose of making them available for public recreation or holding athletic events The facilities so constructed and maintained shall not in any way interfere with the originally designated purposes of the Farm Show Building or the Farm Show Arena so as to lessen the importance of the Farm Products Show or in any way to interfere with the agricultural development of Pennsylvania through its annual shows or otherwise the State Farm Products Show Commission may lease on such terms as it shall determine the State Farm Show Building and State Farm Show Arena or either of them to any lessees for the purpose of public recreation or holding athletic events

Section 4 5 The provisions of this act shall become effective immediately upon final enactment

On the question,

Will the House agree to the bill on third reading?

It was agreed to.

On the question,

Shall the bill pass finally?

Mr. AUKER. Mr. Speaker, unless somebody can show me or can prove to me a very adequate necessity I ask that it go over in order. However I am open to conviction.

Mr. ZIEGLER. Mr. Speaker I am interested particularly in the amendments that I put on this bill. As I understand the bill it is an appropriation of $75,000 by which the Farm Show Commission could acquire additional acreage up around the Farm Show buildings for parking facilities. My amendment was for the sum of $20,000 which would be made available for the Farm Show Commission for the purpose of purchasing a portable athletic floor for in the Farm Show building.

I personally feel that if we spend $75000 to acquire some acreage up there which they only use a couple days out of the year I certainly feel that we can spend $20000 from which they could derive revenue and where we can exhibit the young men and young women of the Commonwealth of Pennsylvania. I certainly have no objection to somebody showing a prize cow up there but if we are to spend $75,000 to buy acreage for parking that they use only a couple times a year I feel we can spend $20,000 to acquire that floor.

Shall the bill pass finally?

SPECIAL ORDER OF BUSINESS ON SENATE BILLS 596 AND 785

Mr. WALSH. Mr. Speaker, yesterday this House very graciously accorded the privilege to the Mayor of Philadelphia to bring up some Philadelphia bills.

I move therefore that Senate Bill 785, Printer's No. 552 on page 51 of today's calendar and Senate Bill 596, Printer's No. 251, on page 40 of the calendar be made a Special Order of Business immediately.

On the question,

Will the House agree to the motion?

On the question recurring,

Will the House agree to the Motion?

It was agreed to.

SPECIAL ORDER ON SENATE BILL 596

The SPEAKER. The Chair lays before the House in reverse order the Special Orders fixed for this time.

Agreeably to order,

The House proceeded to the third reading and consideration of Senate Bill No. 596, as follows:

An Act to further amend the act approved the twenty-third day of June one thousand nine hundred thirty-one (P. L. 932) entitled "An act relating to cities of the third class and amending revising and consolidating the law relating thereto" by extending the powers of cities relating to certain tunnels bridges and viaducts

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows

Section 1 The act approved the twenty-third day of June one thousand nine hundred thirty-one (P. L. 932) entitled "An act relating to cities of the third class and amending revising and consolidating the law relating thereto" as reenacted and amended by the act approved the twenty-eighht day of June one thousand nine hundred fifty-one (P. L. 662) is hereby further amended by adding imediately after clause 15 of Section 2403 thereof a new clause to read as follows

Section 2403 Specific Powers In Addition to other powers granted by this act the council of each city shall have power by ordinance

* * * * *

15.1 Railroad Companies Conveyances and Grants of Rights of Way Subject to the provisions of the Public Utility Law to lease license or grant rights of way to railroad companies through tunnels or over bridges and viaducts to enter into agreements with railroad companies for the maintenance of any such tunnels bridges or viaducts and to convey such tunnels bridges or viaducts to railroad companies that have paid in part for their construction where legal title to said tunnels bridges or viaducts is not vested in the city but will vest in the city by operation of law or under the terms of any contract

On the question,

Will the House agree to the bill on third reading?

It was agreed to.

On the question,

Shall the bill pass finally?

Mr. WALSH. Mr. Speaker, we in McKeesport, although we are not as big as Philadelphia, do have two very important bills here. Our Mayor sat here all week trying to get these bills up. He has duties back in McKeesport and is planning to leave around 2:00 p. m. He is very desirous of getting these bills up.

These bills are designed to do away with a very dangerous condition in the city of McKeesport. If any of you gentlemen have ever been in McKeesport, you know that our railroads cut right through the center of the town dividing our town in two.

One bill creates an authority and the other bill sets up the machinery whereby we can put a tunnel through there. It is not only inconvenient for the citizens of McKeesport and the people of the state, but this is a very dangerous crossing. In fact, we have 11 crossings in the main part of our town. We have had quite a few accidents and people killed.

At this time I am asking that these bills be made a special order of business, out of courtesy to our Mayor, and that we vote favorably on them.

Mr. VAUGHAN. Mr. Speaker, I would just like to say that I wish to concur in what Mr. Walsh said about the dangerous condition existing now in McKeesport .I would like the Members on this side of the House to go along with these particular bills.

Mr. LOVETT. Mr. Speaker, would the Speaker please explain why the reversal of action on these bills?

The SPEAKER pro tempore. Simply for the purpose of orderly consideration of the bills on the calendar.

Mr. LOVETT. Mr. Speaker, I do not object to in some way getting rid of grade crossings. I do very much object to these authorities that are being created.

In the first place, I think when you create an authority in order to deal with this type of work, you are putting into the hands of a few people the right to deal with railroads and corporations on their fair share of the expense in connection with the elimination of such crossings. I find that it is very easy for men who are appointed to these authorities to give away the rights of the people and the taxpayers when it comes to dealing with corporations.

I feel that this idea of authorities has just about reached its limits, and I think the Members of this House should surely stop and think about the authorities that are being created through one reason or another .

It is possibly a little too deep for me, but I know that there is something back of it all. I say to you now that these authorities should not be created until we are definitely sure that the interests of all of the people are being taken care of.

We are appropriating money here today and we are scraping the bottom of the barrel in order to get sufficient funds to run the necessary performances of the state government and our local governments.

Mr. HEWITT. Mr. Speaker, I notice some of the people who made no effort to raise money to try to take care of the state's necessities are now trying to tell us how to spend it.

Mr. LOVETT. Mr. Speaker, I was interrupted by talking to someone else and I did not hear the statement of the gentleman. Will the gentleman repeat?

Mr. HEWITT. Mr. Speaker, I would be very glad to repeat it. I said the people who did not vote for a single measure to raise the money to pay for the commitments of the state are now trying to tell us how to spend it.

Mr. LOVETT. Mr. Speaker, I do not say that the gentleman was referring his remarks to me, but I want to say to the gentleman I voted for a lot of taxes during this Session of the Legislature. I just do not know the exact figure, but it is thousands, maybe up in the millions—$800 million somebody told me we voted for.

QUESTION OF INFORMATION

Mr. KRATZ. Mr. Speaker, I rise to a question of information.

The SPEAKER pro tempore. The gentleman will state it.

Mr. KRATZ. Mr. Speaker, I would like to know whether the General State Authority was created under the Democratic administration of Governor Earle? I would like to know if that is a private tool reserved to the Democrats or can we Republicans use it when we want to?

Mr. PAUL F. JONES. Mr. Speaker, I am vitally interested in this matter because it affects Allegheny County. I do not believe this subject ought to become a pawn or a political football to be dragged into partisan politics.

It is my understanding that all levels of government have been interviewed and agreement has been reached. The railroads involved have been consultd. They, too, have agreed. It is a progressive step. Now to have this legislation killed because of somebody's antipathy toward authorities generally is not fair to the people of McKeesport nor to the citizens of Allegheny County.

This is a very progressive piece of legislation, and I believe it should be voted upon on its merits and not because of any prejudice that we might have to authorities, or whether or not we over on this side of the House voted for the sales tax.

In that connection, let me say that the majority has spoken. Whether we voted for or against the sales tax, it is now the law of this Commonwealth, and as good citizens we all are going to bow to the will of the majority. As I have said so often before, not only must you pay your share of the sales tax, but all of the citizens of Pennsylvania will pay from now on; even though we disagreed with you in passing it, we are certainly going to have to stand our share of paying the bill when the time comes.

I think we ought to give this to the people of McKeesport. I think we ought to send their Mayor Kinkaid back home with the fact that the lawmakers here at Harrisburg acceded to his appeal, that they be allowed to improve the condition out there in McKeesport and protect those lives and take a progressive step that is bound to be of benefit to that community.

I ask all of the Members on this side of the House to support this measure in behalf of McKeesport, a very progressive town.

Mr. THOMPSON. Mr. Speaker, I think possibly they have gotten the wrong impression here. Something has been mentioned about spending money, and some of the Members may gather the idea that there is a state appropriation included in these bills. There is not. There is no state money or state appropriation included in this at all. It is merely setting up the authority so that the authorities in McKeesport can find out and take care of this proposition of elimination of these grade crossings.

This has been a problem to the people of McKeesport for years. They have worked on this thing for a long, long time in my memory, and now they have it up to the point where something can be done under the leadership of Mayor Kinkaid.

It would be a shame if this thing were lost to all those people and to the Mayor after all his work because of discussion about state finances. State finances have nothing whatever to do with these bills. These bills are merely for the benefit of the people of McKeesport to get rid of this situation.

Mr. WALSH. Mr. Speaker, as my good friend from Allegheny County has said, this does not entail any state funds. We have 22 crossings in the city of McKeesport which we want to eliminate. It is not a political proposition because I happen to be on the opposite side of the political fence from my good friend, Mayor Kinkaid.

In addition to that, I don't know if any of you gentlemen had the same experience I have had. One of my very good friends—we have been Members of the Veterans of Foreign Wars, and the Disabled American Veterans—Dave Reed, was hit by a fast freight going through McKeesport. I was called out there to the emergency hospital. I saw him and his wife lying on an emergency table. His wife died the next day, leaving six lovely children.

That is only one of the many instances of death in the city of McKeesport. I really think if you people are fair, as Jim Lovett always says, you will vote for no other reason than to save the lives of people in McKeesport and vicinity.

Mr. AUKER. I just want to back up what the gentleman from Allegheny, Mr. Thompson said because I think our thinking and reasoning is getting a little confused.

This does not affect in any way the general taxpayers of the state. It simply affects McKeesport. They want it and they are going to pay for the bill. We have no right to keep them from it. This is just an authority to give them the go-ahead sign and let them do what they want to do and pay for it themselves.

I ask the Members on this side of the House to support this particular bill.

Mr. LOVETT. Mr. Speaker, so that the membership of this House will not know or will not feel that I am opposing the elimination of grade crossings, I say to you that I do not know exactly how these authorities work.

If I understand rightly, there is nothing to stop the elected officials of the city of McKeesport or any other city from doing the very same thing the authority does.

If I am wrong, I would like to have somebody explain to me why we must have an authority to do these things that the local officials elected by the people can do.

Now one or two words about the fact that this tax question was brought into this picture. I did not bring it in. I said that we are scraping the bottom of the barrel for the taxes to run the local municipalities and to run the state services for the people.

We had an amendment to the Constitution pass this House during this Session of the Legislature that would have given to the people of Pennsylvania the right to vote on whether or not the state should have the right to pass a graduated income tax for those purposes.

I think the Members of this House were sincere when they passed that resolution, but you know as well as I do what happened to that resolution.

Mr. Speaker, if they are going to make speeches I am not—

POINT OF ORDER

Mr. WALSH. Mr. Speaker, I rise to a point of order.

The SPEAKER pro tempore. The gentleman will state it.

Mr. WALSH. Mr. Speaker, the geneleman is not talking on the bill.

The SPEAKER pro tempore. The gentleman will confine his remarks to the bill in question.

Mr. LOVETT. Mr. Speaker, I want to be fair at all times. A lot of other men did not talk on the bill either.

I say to you that if the resolution that was passed in this House would have been concurred in in the Senate of Pennsylvania, so we could get taxes from those best able to pay, I would not be here hollering this morning.

I would appreciate it very much if somebody would explain to me why created authorities that the local officials tell me they do not have much control over after they appoint them, and how they can accomplish all these things when our local elected officials cannot. If someone will explain that to me, I will appreciate it very much.

Mr. WATERHOUSE. Mr. Speaker, I believe I could answer the gentleman's question. He asked why the city could not do the same thing the authority could do.

Under third class city law, the only way they could accomplish this, if they had to build a subway or an overpass, would be by the issuance of bonds.

Under an authority they could sell bonds, they could build the underpass or the overpass or the subway and rent it to the city. That is the way it works.

Mr. HALL. Mr. Speaker, I am indeed sorry that this question has aroused heated controversy, needless controversy. I remember, as Chairman of the Highways Committee, the Mayor of McKeesport came here and conferred with me about rerouting. I am thoroughly familiar with their problem. I think the authority is probably the only way that they can overcome the very—well it is a life and death matter, the very difficult situation that they are facing.

In order to restore calm thinking about these two bills, if it will help the Members on my side to think clearly on this, that will be my contribution, and I would like to see these bills pass because they have merit.

Mr. MORAN. Mr. Speaker, while this bill does not affect my particular district, my district surrounds the city of McKeesport and a lot of my constituents shop in McKeesport. There is no one here that could really paint the picture as it is in McKeesport with all those railroad crossings.

It is a terrible condition and something that we should take care of. For years the people of McKeesport have been trying to do something about it. This seems to be the time when we can do something, and I think we should pass these bills.

I ask the support of all the Members of the House.

On the question recurring,

Shall the bill pass finally?

BILLS ON THIRD READING

Mr. AUKER asked and obtained unanimous consent to call up out of order Senate Bill 627, Printer's 479 on page 16 of today's calendar, bills on third reading.

Agreeably to order,

The House proceeded to the third reading and consideration of Senate Bill No. 627, as follows:

An Act making an appropriation to the Department of Forests and Waters to defrey expenses of official guests of the Commonwealth

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows

Section 1 The sum of twenty-five thousand dollars ($25,000) or as much thereof as may be necessary is hereby appropriated to the Department of Forests and Waters to pay expenses of invited guests of the Commonwealth who attend special function or ceremonies sponsored by the Commonwealth

On the question,

Will the House agree to the bill on third reading?

It was agreed to.

On the question,

Shall the bill pass finally?

Mr. AUKER. I have now had time to get an explanation of these bills. I am very well satisfied that the bills are O. K. I am further satisfied, particularly in regard to Senate Bill 627, Printer's No. 479, that in the long run it will bring a great deal more money into the Commonwealth than we are spending.

Senate Bill 630, Printer's No. 503, the Commonwealth is just hooked on this bill, if we do not pass the appropriation to property owners surrounding these particular roads, they will be able to sue the Commonwealth or make claim upon the Commonwealth and make them maintain the roads throughout this particular district.

I trust my colleagues on this side and on the other side of the House who have objected to it will take my word for it that the bills are O. K. if they so see fit to vote for them.

I would ask that the bills pass.

On the question recurring,

Shall the bill pass finally?

Agreeably to the provisions of the Constitution the yeas and nays were taken and were as follows:

DuBois,

NOT VOTING—1

Watkins,

The majority required by the Constitution having voted in the affirmative, the question was determined in the affirmative.

Ordered, That the Clerk return the same to the Senate with information that the House of Representatives has passed the same without amendment.

Mr. WILLIAM B. SMITH. I would like to call up Senate Bill 598, Printer's No. 582, on page 40.

The SPEAKER pro tempore. Does the gentleman desire to call this bill up? If so, it must be made a Special Order of Business at this time.

MOTION TO MAKE SENATE BILL 598 A SPECIAL ORDER

Mr. WILLIAM B. SMITH. Mr. Speaker, I move that Senate Bill 598, Printer's No. 582 on page 40 of today's calendar, bills on third reading, be made a Special Order of Business at this time.

On the question,

Will the House agree to the motion?

Mr. WATERHOUSE. Mr. Speaker, would a motion to recommit be in order at this time?

The SPEAKER pro tempore. A motion to recommit is not in order at this time. We are now voting on the motion as to whether it shall be made a Special Order of Business.

Mr. WILLIAM B. SMITH. Mr. Speaker, I would like to make a short statement, very short. I realize that we are having quite a session here, but it will be very short.

The SPEAKER. Will the gentleman please yield until we vote on the question on the motion now before the House?

Mr. WILLIAM B. SMITH. Yes, Mr. Speaker.

Mr. ANDREWS. Mr. Speaker, may I say something about the motion?

The SPEAKER pro tempore. The Chair recognizes the gentleman from Cambria, Mr. Andrews.

Mr. ANDREWS. All of these Senate third reading Bills will be called. Every one of them will be reached. If we begin calling Senate bills out of order, every Senator will be over here to request that his bill be called ahead of somebody else's. I think we will have a more orderly way of doing it if we take the Senate third reading bills in their order because we are going to reach every one of them.

The SPEAKER pro tempore. The Chair might state that it is the intention to take the Senate bills today in their order. It will expedite the business of the House if we are permitted to do that unless there is some unusual circumstance that requires the immediaate consideration of a particular bill.

We have House Bills on the calendar also that should be disposed of and sent to the Senate. There is a Committee in the Senate standing by waiting for these bills.

Mr. WILLIAM B. SMITH. I might say that the Senator who introduced this bill was a Member of the majority party. It is definitely a safety measure, and it will not cost the state anything because it is going to be done by a state authority, and as I understand it, it will not cost us anything.

MOTION TO MAKE SPECIAL ORDER WITHDRAWN

The SPEAKER pro tempore. For the information of the gentleman, the bill will be reached in its order.

Will the gentleman withdraw his motion for a Special Order of Business?

Mr. WILLIAM B. SMITH. I will do that, Mr. Speaker.

The SPEAKER pro tempore. The Chair thanks the gentleman.

Agreeably to order,

The House proceeded to the third reading and consideration of House Bill No. 775, entitled:

An Act increasing the number of courts of common pleas in the County of Philadelphia; establishing therein a distinct and separate court of common pleas designated court of common pleas number eight; and providing for the election and appointment of judges thereof.

On the question,

Will the House agree to the bill on third reading?

It was agreed to.

On the question,

Shall the bill pass finally?

Mr. TOLL. Mr. Speaker, first I would like to interrogate the Chairman of the Appropriations Committee.

The SPEAKER pro tempore. Will the gentleman from Lancaster, Mr. Wood, permit himself to be interrogated?

Mr. WOOD. I shall, Mr. Speaker.

Mr. TOLL. Mr. Speaker, has the Appropriations Committeee set forth a figure in the General Appropriation Bill for the expenses relating to this Court?

Mr. WOOD. Is the gentleman talking about House Bill 775?

Mr. TOLL. I am, Mr. Speaker.

Mr. WOOD. The General Appropriations Bill at the present time has no figures for extra judges.

Mr. TOLL. It has no figures for extra judges?

Mr. WOOD. No.

Mr. TOLL. In other words, Mr. Speaker, do I understand there is no money provided for the payment of the salaries of these judges called for in House Bill No. 775?

Mr. WOOD. At the present time, no, but of course it is going to be put in by the Conference Committee.

Mr. TOLL. Mr. Speaker, this bill will not only cost the Commonwealth of Pennsylvania $110,000 in the biennium but it will cost the city of Philadelphia $152,000 for the next two years. Here we are talking about economy. There is no figure set forth in General Appropriation Bill 1520 for these three Common Pleas Court judges at $18,500 each year per judge. In the city of Philadelphia we are trying to practice economy and there does not appear to be any special demand by the majority party of Philadelphia for a Court of Common Pleas consisting of three new judges.

I cannot understand why there was a sudden requirement for this bill to be brought out at this time, particularly in view of the fact that yesterday the majority party was so cooperative with the Philadelphia Republican minority in helping them to pass Senate Bill 445, which will give them as much control as the Board of Revision of Taxes and the other boards which are appointed by the Common Pleas Court judges as they can possibly want if it holds up constitutionally.

The only thing that I can see about this bill is that it is a bill for political expediency. Here is a bill which will help them continue, if the bill goes through, certain appointments by reason of the three new appointments which will be made under a Republican administration.

We have a situation confronting us wherein we have to economize in the state, and then the Appropriations Committee only allows 50 cents a day for the wards in the hospitals throughout the Commonwealth who were getting $6.50 a day for ward patients, and now they have allowed them only 50 cents a day more for people who are sick and injured and almost killed in accidents, because there is no money to give them the $2 which the hospitals of Pennsylvania wanted. Yet, just because a group insists for political expediency that they need another court in Philadelphia, you go out and are ready to

spend $110,000 more but will ont permit 50 cents or a dollar a day more to be given to the hospitals for the sick and the maimed.

I cannot understand the attitude of the Assembly to permit such a thing to exist.

I feel that this bill is politically inspired, and since I do not know of any demand in Philadelphia for this type of court—at the present time we have a sufficient number of judges to take care of our business and the majority in Philadelphia is not asking for it—I ask that the Members vote against the bill.

Mr. WILBUR H. HAMILTON. As every Member of the Legislature knows, I only sponsor non-political, bipartisan bills that are eminently fair. Strange as it may seem, and for a change, the greatest miracle has occurred in Philadelphia as far as the Republican and Democratic parties are concerned. None other than the present District Attorney of Philadelphia, the Honorable Richardson Dilworth, has made arrangements for not only Common Court judges but judges of the Orphans Court to work all summer to endeavor to catch up with the backlog of cases. The District Attorney himself has said that we need an additional Common Pleas Court in Philadelphia.

There are approximately 12,000 cases to be heard. If there is anything political about the fact that those persons who at the present time are waiting for their cases to be tried, some of whom are innocent and are reposing in our county jails, then I would like to know where the politics is involved.

Frankly the appointment to any position is not involved. I do not know who the Governor will appoint. The Governor is non-political; he is eminently fair. Who knows, maybe the gentleman on the other side of the House might get a promotion, I do not know. The District Attorney of Philadelphia has advocated an additional court for months, and I am sure that the gentleman from Philadelphia, Mr. Toll, knows that. Our judges are burning the midnight oil trying to catch up with the cases in Philadelphia, which condition is brought about—and I could really make this more political if I wanted to, but I do not want to—by conditions in Philadelphia at the present time that are not under control of the Republican party but the Democratic party.

Mr. Speaker, honestly and truthfully, I do not want to take a lot of time, but an extra court is needed. All the judges who have been appointed up to the present time are non-political, they are bipartisan. Why the Republicans are even in favor of sitting judges. We are supporting some Democratic judges this year. That is how fair we are about our courts in Philadelphia.

I do not like to say what the Democrats are doing about sitting judges; that is their business, but let us not get involved in any political discussion or wrangle. The court is needed.

Whether or not, in view of the fact that we have quite a few absent Members, this bill might be defeated, I do not know.

With reference to economy, this bill is an economic measure. I do not have the exact figures available, but the amount of money that the city of Philadelphia pays, and this is a term that is used by the judiciary, "tramp judges" could offset the appropriation that is necessary.

I am making a non-political, bipartisan plea which is fair and also an economy plea. I hope the Members on the other side of the House in view of the absentee Members will vote in favor of this bill.

Mr. AUKER. Mr. Speaker, I want to congratulate the gentleman from Philadelphia, Mr. Hamilton, on making what I consider one of the most diplomatic speeches that have been made on the floor of this House this year.

Mr. TOLL. I just want to make two observations, short ones, Mr. Speaker.

First, the case load of criminal cases was certainly left over from the prior administration, and our District Attorney, Richard Dilworth, is doing his level best to cut them down. In this last year he has reduced the criminal cases that were left over by 2,000, and he has the cooperation of the Orphans Court to clean them up this summer.

It certainly does not imply that for civil business, which is the bulk of our business requiring courts, that we need any more courts for this purpose.

The second observation I want to make—and I am glod I got the opportunity to make it by reason of the remarks that were made by the gentleman from Philadelphia—is this. We tried to put through a pension bill for judges, House Bill 1205, which was not brought out of the Appropriations Committee because there was no money for the pensioning of our judges. In that pension bill there was a provision that these judges would be retired, but would be available to substitute in all these cases where you bring in itinerant judges from out of town. That was turned down in the interest of economy. That is the way to eliminate the necessity for calling in out-of-town judges, and not in this method by adding a great number of additional judges in order to make sure that in the event they are defeated in this Fall's election, and there are more Republican judges than Democratic judges, that they will be able to beat the equation by three new additional appointments from one party.

The Governor has never appointed bipartisan judges in this Commonwealth, and certainly not in the city of Philadelphia. Therefore, I certainly urge you to consider the fact that this is a bill for political expediency and I urge you to vote against it.

Mr. WILBUR H. HAMILTON. Mr. Speaker, we are discussing House Bill 775, not House Bill 1205. I am not an attorney. I do not have to curry favor with a single judge in the city of Philadelphia, but Judge Milner and Judge Bromley are here, and they know that I have worked hard for the pension bill. To avoid any misunderstanding, if that bill is reported out of the Appropriations Committee, it will have my support.

I would like to suggest, in view of the political debate which was precipitated by my colleague from Philadelphia, Mr. Toll, I would like to temporarily pass this bill over, and will go into a huddle with his quarterback and see if we can get the right signal called later on in the day.

Mr. TOLL. Mr. Speaker, I ask for a roll call, since the gentleman called it up.

Mr. DOUGHERTY. Mr. Speaker, inasmuch as I agree with my good friend, Mr. Hamilton, as a gentleman and a scholar, I would ask if the gentleman would not agree with me to recommit this bill. It is definitely a bad bill, and I ask the House to vote it down.

Mr. WILBUR H. HAMILTON. Mr. Speaker, I am going

to make a few recommittals today, but would it be in order for me to make a motion to place this bill on the Third Reading Postponed Calendar?

The SPEAKER pro tempore. A motion to place this bill on the Final Passage Postponed Calender is in order.

BILL POSTPONED

Mr. WILBUR H. HAMILTON. Mr. Speaker, I move that this bill be placed on the Final Passage Postponed Calendar.

On the question,

Will the House agree to the motion?

The yeas and nays were required by Mr. TOLL and Mr. WHITE.

Section 2 This act shall become effective immediately upon final enactment

On the question,

Will the House agree to the bill on third reading?

Mr. ANDREWS. Mr. Speaker, I now declare House Bill 835, Printer's No. 753, officially dead.

I want to say something about this child and I want to play the principal part in the funeral. This bill was a modest attempt to save some money.

The General State Authority unforunately is not permitted to play the roles as they are played by the Department of Property and Supplies. The General State Authority places contracts ranging from a few thousand dollars into the range of five, ten, fifteen, eighteen, twenty million. If the Department of Property and Supplies were handling those contracts, it could ask for separate bids on the boilers, on the electrical supplies, and then ask for one bid; and if the separate bid were less than the one bid, it could allot the contract to the separate bidders. The General State Authority, however, can only ask for one bid. It cannot divide.

When we have a little contract, just a little contract, and we want to build a house at an institution, when we separate the bids, you do not get good bids because big contractors do not want to fool with it. I was wrong in stating that the General State Authority could ask for one bid. That is what we wanted to do in this bill, ask for one bid on small contracts not to exceed $100,000.

We would not have saved much money. Probably had we been able to do that since the General State Authority

started, we might have saved five, or six hundred or eight hundred thousand dollars.

We make this proposal, and lo and behold, there decends upon us the envoys of various organizations and they say, "No, you can't do it." They interview individual Members and they tell them that labor is opposed to this measure, the electricians of Philadelphia do not want it, or the plumbers some other place do not want it. They crack the whip and two-thirds of the Members of this House crawl under the desks.

We talk about labor legislation. I have been identified with labor legislation for 45 years. I have gone down the line and when I say to the electricians of Philadelphia they are needlessly causing unnecessary expenses in the construction of necessary institutions, they put me on their list as unfair to labor, and they say, "That fellow cannot be trusted; he does not take orders." Well, plenty of you fellows on the other side take orders on these little things, but when labor has an essential issue of vital importance, I find that for some mysterious reason many of you side with the employers while we are carrying the banner of the workman.

The defeat of this bill, the burial of this bill, if the borrowing power of the General State Authority is increased some sixty or eighty million will cost the taxpayers of Pennsylvania ultimately five or six hundred thousand dollars.

Incidentally, the Lawyers Association of the state owe me at least a box of good cigars, because one of the highest priced and most skilled lawyers in Pennsylvania has been up here almost a week killing this bill, and if that is not worth $15,000 that man is a piker. Also, one of the celebrated practitioners from Allegheny County has been here killing this little bill, and if he does not charge his clients $12,000 he is a piker. If I had not introduced this bill, they would not have made those fees.

Because the labor leaders have cracked the whip and they have served notice on you that you cannot support that little bill, I am required under force of circumstances to move that it be dropped from the calendar. It cannot pass. It has been fixed in the Senate, and the men on my side of the House and the men on your side are under orders; the A F of L said it does not want this bill. When the A F of L does not want this bill I cannot any more command five votes on this side of the House.

On a measure that they say is "labor organization," I am not the floor leader; the labor organizations are the floor leader And I would not mind if they were the floor leaders in connection with bills in which labor is properly concerned.

Mr. Speaker, my compliments to the elegant and skilled practitioners of the law who have worked so diligently. My compliments to the labor leaders who have once again demonstrated their power. I compliment them.

I know when I am licked. I am licked when my own caucus walks out on me. I am licked when the A F of L issues a little sheet and without any explanation says, "You are opposed to this bill." "We favor this," and Member after Member goes down the line. Their's is not to question why, their's is but to do and die. And don't think you don't have some of the do-ers and die-ers over on your side of the House either!

Mr. Speaker, I move with great regret and grief that this poor little bill, House Bill 835, be dropped from the calendar. When this motion carries, the practitioners who have hovered on the scene lest something miscarry—they have suspected a plot, they have suspected that they might depart and some legislative chicanery might be able to send this bill over to the Senate. And so they stayed and stayed and stayed while their families longed for their presence and Atlantic City invited their attendance. When this measure is dropped from the calendar, they can gather their golf sticks, and I hope they collect their fees in proper fashion.

BILL RECOMMITTED

So, Mr. Seaker, I move that House Bill 835, Printer's No. 753, be dropped from the calendar and all of you who are under orders to that effect vote that way.

On the question,

Will the House agree to the motion?

Mr. AUKER. Mr. Speaker, I would like to interrogate the gentleman from Cambria, Mr. Andrews.

The SPEAKER pro tempore. Will the gentleman from Cambria, Mr. Andrews, permit himself to be interrogated?

Mr. ANDREWS. I am a grieved man; a sorrowing parent. I hope the gentleman will not exploit my grief now that he has me at the funeral.

The SPEAKER pro tempore. I believe the gentleman assents, proceed Mr. Auker.

Mr. AUKER. I would like to ask the gentleman from Cambria, Mr. Andrews, to withdraw his motion. There are any number of my colleagues ,especially on this side of the House, who would like to get themselves on record on this bill on a roll call.

Mr. ANDREWS. Mr. Speaker, knowing what the legislative situation was and not to take the time of the House, I told the diligent gentleman who are working against this bill that I would make this motion. Having told them that I would make this motion, I must necessarily comply with the promise I made.

If I had not made this motion, one of your Members on your side of the House was prepared to make the motion; because when I went to the desk and inscribed on the order of business there was "dropped from the calendar." I knew that if the Member from your side of the House made that motion I would not have the pleasure of burying this child. I was not going to let him take my infant from my arms and hurry it to its death. I wanted to do that myself.

Mr. AUKER. Mr. Speaker, of course under the circumstances I have no alternative except to accede to the promise made by the gentleman from Cambria, Mr. Andrews.

However, whether such a motion would be made from this side of the House, I wish to assure the gentleman from Cambria, Mr. Andrews, that he probably does well know that there is many a slip 'twix the cup and the lip.

I would not take away from the gentleman the pleasure he has expressed that he would like to have of presiding as a pallbearer to this baby, but on this motion I ask for a roll call, a slow roll call, and the roll may be asked tc be verified.

I ask my colleagues, all of them, on this very important economy measure to vote "no" on this motion.

Mr. McCORMACK. With all due respect Mr. Speaker, to my Floor Leader, I just want to say a word in passing that whether or not Mr. Andrews recognizes this bill as a legitimate labor bill or not, is beside the point.

I think a labor organization namely, the AFL, has been attacked on this floor, and inasmuch as it does not have a chance to answer the attack from Mr. Andrews, I think they have a perfect and legitimate right to ask the Members of the House of Representatives to vote against any particular bill.

I have been approached by all types of organizations here in the House this year and I have never yet heard any one attack them for doing so.

Whether or not this is a good or a bad labor bill or no labor bill at all, I think labor has a perfect right to ask the Members to vote against the bill.

Mr. STRAUSSER. Mr. Speaker, I would like to make a brief statement on this bill.

Mr. ANDREWS. Mr. Speaker, if the gentleman would yield, I would just like to say that not much is gained by extolling the virtues of the dead infant.

Mr. STRAUSSER. Mr. Speaker, this bill is so different from when it was originally introduced, that I think I should explain House Bill 835, Printers No. 753 as amended.

As originally drawn up, this bill was a repealer of the Separation Act which I personally was against because of reasons brought out during the public hearing last Monday.

This amended House Bill 835, Printer's No. 753 does not change the method of receiving separate bids for the plumbing, heating, ventilating and electrical work of public buildings. It provides that separate bids shall be taken for each of the said branches of work.

However it does provide that if after proper advertising no bid is received for any one or more of the four basic branches of work, the state authority shall not open and shall reject all bids received and shall return these unopened bids to the respective bidders.

For the benefit of those who do not understand how it can be determined what kind of bid is in the sealed envelope, may I explain that each building is given a project number. Let us assume the project number ii 1500. This project number appears on the outside of the sealed bid, followed with a "dash" and a number indicating the type of the work the bid covers.

For instance, the general contract number would be 1500-1, the plumbing contract number 1500-2, the heating and ventilating contract 1500-3, the electrical contract 1500-4. By these identifying numbers the Authority can determine whether or not it has received all the necessary bids without actually opening any.

Therefore unless at least one bid is received in each of the four basic catagories of work, the state authority shall reject all bids and then proceed as required by this bill.

Please note, after full opportunity to submit a bid has been given all contractors and they themselves have failed to bid, this bill provides that the state authority may then readvertise for, receive bids on and award one contract including all phases of the work in connection with this building provided the total cost does not exceed $100,000.

The successful bidder can be a general contractor or a plumbing contractor, a heating contractor, or an electrical contractor.

This bill further provides that any state authority may award a separate contract for boiler plants, water supply and distribution lines, sewage disposal plants and collection systems, and storm sewers and collection systems.

It was testified at last Monday's Public Hearing, by Mr. A. F. Jones of the General State Authority, that they have experienced difficulty in securing the nccessary separate bids for this work. I can understand the reasons for their difficulty to get bids on boiler plants (especially in the instances of replacing old boiler plants in existing buildings).

In cases such as these, the heating contractor is the principal contractor, and I can see where there would be very little general contract work, very little plumbing work, very little electrical work required in connection with such a project. Hence I can see the reason for the failure of the state authority to get the needed bids on a separate contract basis for boiler plants.

In the cases of water supply system, sewage disposal system and storm sewer systems, I can also see the reasons for the mechanical contractors who usually work on buildings, not being interested in these systems which involve the placing of large concrete pipe, crushed stone filter beds, large poured-in-place concrete tanks, etc. Hence I can see why these projects would fail to attract the needed bids on a separate contract basis .

House Bill 835, Printer's No. 753, would simply give any state authority the same powers as now enjoyed by the Department of Property and Supplies in awarding contracts for state construction projects.

This bill would remove the handcuffs to a small degree insofar as awarding contracts are concerned. Jobs could be awarded quicker, buildings could be completed sooner for state use.

The hundred thousand limit also places a hobble around their legs so that they cannot run hog-wild as feared by some laymen.

I honestly cannot see where this bill will hurt organized labor, because regardless of what contractor does the work, the minimum wage rates set up in all state contracts are based on union rates prevailing in the particular locality where the projects are built.

I am an employer of AFL skilled building tradesmen. Do you think I would stick out both my political neck and my professional neck at the same time? Of course I would not.

I sincerely believe we should grant our state authority this legal right to decide what is to the best interest to our Commonwealth in awarding contracts in the event sufficient numbers and kinds of bids are not received on first advertisement. This House Bill 835, Printer's No. 753 will do just that.

I suggest that both sides of this House vote in favor of this bill.

On the question recurring.

Will the House agree to the motion?

On the question,

Will the House agree to the bill on third reading?

It was agreed to.

On the question,

Shall the bill pass finally?

Mr. JIM. Mr. Speaker, I will be very, very brief. The intent of this bill is a registration of veterans' graves and a record be kept. I certainly want to thank the Chairman of Military Affairs Committee for calling a special meeting the other day to have this bill reported out. It was certainly wonderful of the gentleman to do that.

This morning the statement was made by the gentleman from Dauphin, Mr. Hocker, that we were sent here to do a job. The same statement was made by the gentleman from Blair, Mr. Auker, that we were sent here to do a job. I am going to add a little more to that statement to the people of the Commonwealth of Pennsylvania. I have tried to do a job. Up to today I should be recored as voting on all issues before the House. My chair seat is almost worn out.

I do not want it to happen like it did yesterday wherein the sponsor of a bill voted "No." This morning the sponsor of another bill said his bill was dead. But my bill 895, Printer's No. 756, is still alive and I am going to vote for it.

I certainly would appreciate it if the Members of the House vote for this bill.

On the question recurring,

Shall the bill pass finally?

Agreeably to the provisions of the Constitution the yeas and nays were taken and were as follows:

RESOLUTION

THANKING THE PRINTER

Mr. HELM offered a resolution and asked and obtained unanimous consent for its immediate consideration.

The resolution was read, considered and unanimously adopted as follows:

In the House of Representatives, July 24, 1953

The normal functions of the legislature require a vast amount of printing, in keeping copies of all bills and their amendments before each Member. As a bill progresses through this House and amendments are made to it, new prints must be made and delivered to the Members before further votes may be taken. If the business of the House is to proced expeditiously and in an orderly fashion these prints must be made swiftly and accurately.

During this session of the legislature our printers, both at the Telegraph Press and in the Department of Property and Supplies have served us with a fidelity and efficiency that is truly outstanding. Our bills have been printed with speed and accuracy, and on those occasions when it was necessary for this House to make extraordinary demands upon their labors and skill, they have responded magnificently and with a spirit of cooperation that could only be nurtured by a deep sense of responsibility to the people of their State; therefore be it

Resolved, That the members of the House of Representatives thank our printers for a good job well done, and acknowledge that the orderly conduct of the business of the House has many times depended upon their hard work and skill, which was never found wanting.

The SPEAKER. The Chair would like to offer its personal thanks to Mr. Crago and his staff who have cooperated so well with us throughout this entire Session not only for delivering the bills and bringing them back, but running back and forth many times to expedite the printing.

Many of the Members do not know that these bills are always under constant guard of the State Police. A State Policeman accompanies Mr. Crago at all times. They have both done a very excellent job for the Members of the House.

AFTER RECESS

The time of recess having expired, the House was called to order.

The SPEAKER (Charles C. Smith) in the Chair.

CONFERENCE REPORT ON SENATE BILL No. 435

Mr. LIPPINCOTT. Mr. Speaker, I present the report of the Committee of Conference on Senate Bill No. 435.

The SPEAKER. The report will be noted in the Journal, and will be printed by the Senate.

PERMISSION TO ADDRESS HOUSE

Mr. WILLIAM B. SMITH asked and obtained unanimous consent to address the House.

Mr. Speaker, for the benefit of the record, I would like to state that my record in this House is just about as good a labor record as any other Member's in this House.

It is true that most labor bills I have voted for of my own free will. I received letters from all the different labor organizations regarding bills. I have been contacted by lobbyists regarding bills, but at no time have I ever been influenced or put into a position where I was forced to support a bill for any labor organization.

When a labor organization asked me to support a bill, I made it my business to look into that bill and see whether I should support it or whether I should not. I might say that some of the bills I did not support.

However I find that when labor asks me to support a bill I will say that about 98 percent of the time the bill was worthy of anyone's support. They have never asked me to support a bill that was not good for all the people of Pennsylvania.

I am not one to wear out the carpet in the labor people's offices before an election and then after election is over forget about them altogether. I believe in being fair.

I do not hesitate to say that if it were not for the labor leaders in the state of Pennsylvania, the working man would be in a terrible state because he would have no one to come down here and lobby for the things that he is justly entitled to.

Again I want to say that I am proud of my labor record. I did not only support labor bills but I supported all bills that came before this House that I thought were good bills.

BILL ON THIRD READING

Agreeably to order

The House proceeded to the third reading and consideration of House Bill No. 1083, entitled:

An Act to amend subsections (a) and (b) of Section 663 of the act approved the tenth day of March one thousand nine hundred forty-nine (P. L. 30) entitled "An act relating to the public school system including certain provisions applicable as well to private and parochial schools amending revising consolidating and changing the laws relating thereto" by increasing the maximum amount of the authoried per capita tax levy in school districts of the first class A and exempting certain persons from such tax

On the question,

Will the House agree to the bill on third readings?

BILL RECOMMITTED

Mr. JOHNSON. Mr. Speaker, I move that this bill be recommitted to the Committee on Education.

The motion was agreed to.

APPROPRIATION BILL ON SECOND READING POSTPONED

Agreeably to order,

The bill having been called up from the postponed calendar, by Mr. GEORGE E. JONES,

The House resumed the consideration on second reading of Senate Bill No. 164, entitled:

An Act making an appropriation to the several fire companies of the City of Harrisburg Pennsylvania

The first section was read and agreed to.

Mr. GEORGE E. JONES offered the following amendment to the bill:

Amend Bill, page 2, by inserting after line 4 the following: "Section 2. The sum of nine hundred dollars ($900) is hereby specifically appropriated to the Cresson Volunteer Fire Company, the Hollidaysburg Volunteer Fire Company and the Duncansville Volunteer Fire Company for the two fiscal years beginning the first day of June, one thousand nine hundred fifty-three for the protection of State property at the Cresson Sanitorium, the Hollidaysburg State Hospital, the district office and maintenance building of the Department of Highways and the State Police Barracks located at Hollidaysburg."

Said sum shall be distributed between said companies in an equal amount.

On the question,

Will the House agree to the amendment?

Mr. GEORGE E. JONES. Mr. Speaker, I was a little disappointed last night when I could not make my statement.

I asked for these appropriations because we have a lot of state property near our town. We have a state hospital that will have 1500 beds. We have the State Highway Department sheds and we have the State Police barracks, and of course at Cresson we have the Cresson Sanitorium.

The fire companies have been holding fire drills at these places often, in fact, everytime they are asked to they go there for a fire drill. We ask for less than a dollar a day for fire protection for all our property. I think we are really entitled to it and I hope that everyone votes for these amendments.

Mr. ERB. Mr. Speaker, coming down to the close of this Session I feel this is no political issue. It is only fair, honest and just. We today in Blair County have two very valuable fire companies. They have gone out to the State Hospital in the last three years and they have put out three bad fires. They are not asking for any compensation whatsoever. These boys are not paid, but they need equipment, they need shoes, they need boots. I know of several of them one night who were called very suddenly to go out there. They ruined their clothes, some beyond repair.

I have in the past introduced bills for an appropriation and I feel it is only just and fair. There are as many Democratic boys as there are Republican boys in these fire companies. They are doing a good job and I feel that these boys should be taken care of.

I ask the Members on both sides of the House to vote in favor of these amendments.

Mr. GLEASON. Mr. Speaker, I rise to support these amendments to this bill as I did in the last Session of the Legislature. I had a bill in the House for an appropriation to give the volunteer fire companies for the protection of the Muncy Industrial State Home. I was told at that time they did not appropriate any money for the fire companies, and of course I accepted the word of the Appropriations Committee.

But, lo and behold, over from the Senate last week came Senator Taylor's bill for a $5,000 appropriation for the Harrisburg companies. I think the Harrisburg companies deserve the money for the protection of the state buildings, but we in our own locality have companies that do not receive a cent, except my particular company receives payment for hose and gasoline. I think the same way as these other men do. They stand by and guard these other institutions that are worth millions of dollars and do not receive one cent. If one volunteer company can receive money for the protection of state property, I think the rest should. I have two in my section which are the Clinton Volunteer and the Muncy Company for which I am going to put in a resolution after this has been voted on. I ask you to support these amendments.

Mr. WOOD. Mr. Speaker, I do not rise to oppose the amendments but I would just like to say in the General Appropriation Bill there is a provision for payment of fire companies for cost of fighting fires upon approval of the Institutions and Departments. That means if any of the fire companies go to a fire at any of these insti-

tutions, they can get paid for the cost of fighting a fire, that is, in Welfare, Public Instruction and the Department of Health.

Mr. GLEASON. May I interrogate the gentleman from Lancaster, Mr. Wood?

The SPEAKER. Will the gentleman from Lancaster permit himself to be interrogated?

Mr. WOOD. I shall, Mr. Speaker.

Mr. GLEASON. Mr. Speaker, do they have a standard rate they pay the fire companies if they fight a fire at any state institution?

Mr. WOOD. Mr. Speaker, if they put a bill in.

Mr. GLEASON. Mr. Speaker, is that not true then with Harrisburg?

Mr. WOOD. Mr. Speaker, that is an exception, I guess.

Mr. GLEASON. Mr. Speaker, that is all.

Mr. ERB. Mr. Speaker, I would like to interrogate the gentleman from Lancaster, Mr. Wood, chairman of the Appropriations Committee.

The SPEAKER. Will the gentleman from Lancaster permit himself to be interrogated?

Mr. WOOD. I shall, Mr. Speaker.

Mr. ERB. Mr. Speaker, have I asked the gentleman or insisted on bringing out my bills to give the fire companies any money?

Mr. WOOD. Mr. Speaker, I do not belive the gentleman did this year, but I know he did during the last Session.

Mr. ERB. Mr. Speaker, now may I ask what has been done with the money that is given to the volunteer fire companies of Harrisburg? What is the expenditure of that money for? Is it for equipment or is it for entertainment or what? That is what I would like to know.

Mr. WOOD. Mr. Speaker, I could not answer that question. Maybe some of the Members from Dauphin could answer the question.

Mr. ERB. Mr. Speaker, I have from very good authority which I do not like to divulge, information that it is not used properly for equipment such as boots, shoes or raincoats or what they ought to have, but it is used mostly for entertainment. I will assure you that I do not begrudge the boys entertainment, no. On the other hand, as Mr. Lovett says, "let's be fair." If one is entitled to it, all are entitled to it.

At Hollidaysburg we will have a 1500-bed mental hospital, when it is complete and furnished. We have district barracks which houses 32 men. We have a district engineer for nine surrounding counties with the maintenance engineer's office in the same. We have a mile of state property and surely we are not asking too much in the sum of $300.

We thank you and we hope you still vote for the amendment, both sides of the House.

On the question recurring,

Will the House agree to the amendment?

It was agreed to.

Mr. GLEASON offered the following amendment to the bill:

Amend Bill, page 2, by inserting after line 4 the following:

"Section 2 The sum of four hundred dollars ($400) is hereby specifically appropriated to the Clinton Township Volunteer Fire Company Lycoming County for the Keystone Hook and Ladder Company of Muncy for the two fiscal years beginning the first day of June one thousand nine hundred fifty-three for the protection of State property at the Muncy Industrial Home for Women

"Said sum shall be distributed between said companies in an equal amount"

On the question,

Will the House agree to the amendment?

Mr. GLEASON. Mr. Speoker, I just want to remind the Members that this is an appropriation of $100 a year for two companies, each company receiving $100 to protect your homes. I think they deserve it the same as any other company does around the state that receives an appropriation for protecting state property.

On the question recurring,

Will the House agree to the amendment?

It was agreed to.

The title was read.

On the question,

Will the House agree to the title?

Mr. GEORGE E. JONES offered the following amendment:

Amend Title, page 1, last line of title by inserting after "Pennsylvania": "and making an appropriation to the Cresson Volunteer Fire Company, the Hollidaysburg Volunteer Fire Company and the Duncansville Volunteer Fire Company for the protection of State property"

It was agreed to.

Mr, GLEASON offered the following amendment:

Amend Title, page 1, last line of title by inserting after "Pennsylvania": "and making an appropriation to the Clinton Township Volunteer Fire Company Lycoming County and the Keystone Hook and Ladder Company of Muncy for the protection of State property"

It was agreed to.

The title was agreed to as amended.

And said bill having been read at length the second time and agreed to as amended,

Ordered, To be transcribed for third reading.

PERMISSION TO ADDRESS HOUSE

Mr. LOPRESTI asked and obtained unanimous consent to address the House.

Mr. Speaker, now that these amendments have gone into the bill, I hope that the House has acted in good faith. I realize that the bill must now go back to the Senate for concurrence and I realize too that there is possibly some trouble ahead. I realize that the House has voted for these amendments, and I hope they have done so in good faith and will stand up when the conference report returns.

I also want to say that I have several qualities: I have the stubborness of a mule and the memory of the elephant. And if by any chance these amendments are not made in good faith, and if it is the will of God and the people of my district to return me, we will have the same problem over again two years from now with possibly more maneuvering than has already been the case.

On the question,

Will the House agree to the bill on third reading?

It was agreed to.

On the question,

Shall the bill pass finally?

Mr. MORAN. Mr. Speaker, I would like to have this bill explained.

Mr. THOMAS H. W. JONES. Mr Speaker, Senate Bill 281 is precisely the same bill really as House Bill 1041 and House Bill 986 on which we had considerable debate about three weeks ago. Does the gentleman want me to run through that again?

For the gentleman's information, what happened is that there were four or five bills dealing with this subject, three of which got into the Senate and two of which got into the House. When 1041 and 986 passed the House, they went over to the Senate where Senate Bills of a similar nature were struggling on the Calendar. Rather than holding another committee meeting right there, they amended Senate Bill 281 to look exactly like House Bill 1041 and sent it back here. Now we are in the process of, I hope, passing it again.

Mr. MORAN. Mr. Speaker, I would like to interrogate the gentleman.

The SPEAKER. Will the gentleman permit himself to be further interrogated?

Mr. THOMAS H. W. JONES. I shall, Mr. Speaker.

Mr. MORAN. Mr. Speaker, I do not expect the gentleman to explain what is in all of these bills, but could he not give us a brief outline on what this particular bill does, just a brief outine of what the bill does?

Mr. THOMAS H. W. JONES. Mr. Speaker, it clarifies the law with respect to the granting of pensions, allowances and stock options. At the present time there is no provision in any of the corporation codes relating to stock options and yet it has been a common business practice now for a good many years. There have been some decisions in the courts of the State of Delaware which throw doubts under just what circumstances stock options can be issued, and so forth.

The same is true of allowances to dependents. There is some question today in the case of a janitor who has served faithfully in the employ of a corporation for a great many years and dies in harness. There is grave doubt as to whether the corporation could give a gratuity or an allowance to his wife.

On the question recurring,

Shall the bill pass finally?

Agreeably to the provisions of the Constitution the yeas and nays were taken and were as follows:

Watkins,

The majority required by the Constitution having voted in the affirmative, the question was determined in the affirmative.

Ordered, That the Clerk return the same to the Senate with information that the House has passed the same with

amendments in which the concurrence of the Senate is requested.

PERMISSION TO ADDRESS HOUSE

Mr. GLEASON asked and obtained unanimous consent to address the House.

Mr. Speaker, the first of the week when this bill came over from the Senate to the House, I put amendments into it. It is in regard to third class cities having their police force go from 48 hours a week to 44. I am very much in favor of the policemen working 44 hours a week but I do not believe it is our business down here to tell the cities how they shall run their city council. It is going to mean that extra men will have to be put on some of the police forces. I think there are about 38 cities in the state of Pennsylvania that will require extra men.

There is some talk that this is going to cost the people of Pennsylvania, or the cities, money to put it on the ballot. I have been assured by the Legislative Reference Bureau that this does not cost the cities one cent, except for the ink that it takes to put this on the ballot.

Therefore I ask this House to insist on concurrence in the amendments that were put in by the House to Senate Bill 577.

Agreeably to order,

The House proceeded to the third reading and consideration of Senate Bill No. 406, as follows:

An Act making an appropriation to the Pennsylvania Historical and Museum Commission for the further restoration preservation and improvement of Drake Well Memorial Park birthplace of the petroleum industry

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows

Section 1 The sum of twenty-five thousand dollars ($25,000) or as much thereof as may be necessary is hereby appropriated out of the General Fund to the Pennsylvania Historical and Museum Commission for further restoration preservation and improvement of the birthplace of the world's petroleum industry at Drake Well Memorial Park for the completion of a replica of the original Drake Well derrick and its machinery for the payment of salaries wages or other compensation for professional technical or other services necessary for planning and executing the restoration preservation and improvement of Drake Well Memorial Park for the necessary cost of landscaping for surveying the property and installing suitable boundary monuments for re-locating the paths and improving parking areas for raising sections of the park area above flood level and for repairing the dike for the purchase of tools implements books manuscripts pictures and other objects of interest to the public in connection with the history of petroleum for the purchase of necessary equipment and for other incidental and contingent expenses

And said bill having been read at length the third time, considered and agreed to.

On the question,

Shall the bill pass finally?

NOT VOTING—1

Watkins,

The majority required by the Constitution having voted in the affirmative, the question was determined in the affirmative.

Ordered, That the Clerk return the same to the Senate with information that the House of Representatives has passed the same without amendment.

Agreeably to order,

The House proceeded to the third reading and consideration of Senate Bill No. 598, entitled:

An Act authorizing the State Highway and Bridge Authority upon government with the Department of Highways and approvel of the Governor to erect and maintain a bridge over the Ohio River between a point in or near the Borough of Shippingport Beaver County and a point in such county on the opposite side of the Ohio River and to provide the necessary approaches and connections with State highways authorizing the collection of tolls and charges and the issuance of authority obligations providing for designation of such bridges approaches and connections as State highway routes and their maintenance as such routes thirty years after construction.

On the question,

Will the House agree to the bill on third reading?

BILL RECOMMITTED

Mr. WATERHOUSE. Mr. Speaker, I move that this bill be recommitted to the Committee on Highways.

On the question,

Will the House agree to the motion?

Mr. WILLIAM B. SMITH. Mr. Speaker, I rise to oppose this recommittal because of the children of 7,000 families who are compelled to cross the Ohio river in floods in winter and what have you.

We have our problems back there and we would like to try to solve them. In this way I believe that the men traveling back and forth to work and the development of our county would be greatly improved if this bill could be voted on in this House.

I am sure you would not want your child to cross a river the size of the Ohio river, in the winter time, with ice on it, on a ferry boat.

This has been going on for years and we have been very fortunate nothing has happened. I would appreciate it very much if the Members of this House would see fit to give us something back in Beaver County. It is true that we are just about out of the state, so far back in the woods that probably you have forgotten about us, but I would certainly appreciate it if you would help us with this bill.

We had a bill in asking the state to build a bridge for us at the cost of the state. We found out through conferences and talking to different people that was not proper at that time, but that we might be able to accomplish something if we were to go after a toll bridge. We are even satisfied to take a toll bridge. We will take any kind of a bridge that we can get back there just so that we can have it erected to prevent anything that might happen in the way of one of these ferries upsetting. .

I gave the Chairman of the Highways Committee some pictures of this particular situation down there. It is bad.

We have not received a bridge in our county in the last 50 years. These children have to go by car either to Chester, West Virginia, or Monaca which is about 20 miles one way. That is what those men have to do going to and from work in the wintertime when the ferry cannot make it across the river.

We need this back in Beaver County and would appreciate it very much if you would give us a lift.

On the question recurring,

Will the House agree to the motion?

The SPEAKER. The Chair is unable to decide.

On a rising vote, 74 Members having voted in the affirmative and 40 in the negative, the question was determined in the affirmative and the motion was agreed to.

Agreeably to order,

The House proceeded to the third reading and consideration of Senate Bill No. 603, as follows:

The Chaplain, Rev. PHILIP SENFT, Pastor of Trinity Evangelical and Reformed Church, Everett, offered the following prayer:

Lord of all we have and are, give us this day our portion of faith which refreshes the mind and braces the courage of the heart and promises yet unknown riches to the mind of man, so that the wills of many people and interests may be measured not by loudness of assent or protest, but by soundness of reason and good will.

In the Name of the lowly Galilean, Whom we have learned to call Master, we ask it, Amen.

BILL DROPPED FROM CALENDAR

Mr. MAHANY. Mr. President, I move that Senate Bill No. 680, on third reading, postponed, entitled:

A Joint Resolution proposing an amendment to section one, article nine of the Constitution of the Commonwealth of Pennsylvania providing for graded and graduated income taxes and for exemptions therefrom.

be dropped from the Calendar.

Mr. TAYLOR. Mr. President, I second the motion.

On the question,

Will the Senate agree to the motion?

Mr. DENT. Mr. President, this bill is the one that calls for a referendum on a Constitutional amendment for the purpose of placing upon the statute books a graduated income tax.

Mr. President, the House passed the billl, sponsored by James Lovett, from Westmoreland County. That bill came over to the Senate, and was sent to a Senate committee and later was reported to the floor favorably. When the bill was on the calendar, it was held on the calendar until this bill, introduced by Senator Miller, Senate Bill No. 680, came out of committee and caught up with it.

Mr. President, we Democrats who desired to vote for the Lovett bill were told that the Lovett bill was going to be sent back to committee, and we would pass the Miller bill because the Miller bill had a very desirable feature. It placed a limitation on the amount of tax which would be placed on any income. We have always thought that to be the proper method. To pass any broad base tax, there ought to be a constitutional provision limiting the amount and if any changes are to be made, then they should be made by referendum to the people.

So, Mr. President, when the Lovett bill was sent back to committee, it was with an understanding that this bill would be passed. The Democratic group did not bother to get the roll verified or called upon the matter. We find ourselves now, Mr. President, as having been mouse trapped into a position where we are not recorded as voting against sending the House Bill back to committee. Now, in the last dying days of the Session, the Miller bill is being killeld. The people of Pennsylvania will not be given an opportunity to vote for a Constitutional amendment that would give to the General Assembly an opportunity to pass a broad base tax with a limitation upon it.

Therefore, Mr. President, I am going to ask that the roll be called upon this motion to send the Miller bill back to committee, in order that we may be recorded.

Mr. MAHANY. Mr. President, I believe the gentleman from Westmoreland, Senator Dent, knows that the only thing we can do with this bill is drop it from the calendar.

Mr. President, this is a Senate bill and we understand that this Session of the Legislature is going to adjourn sine die on Monday and, therefore, there would not be a sufficient number of legislative days to pass this bill. If there were any opposition to the bill being dropped or being postponed, it should have been made known the other day when we placed it on the Postponed Calendar.

Mr. President, we all are hoping that there will be a Constitutional Convention called by mandate of the people, and at that Constitutional Convention this question of uniformity of taxes may be considered by that Convention. If they deem that it is wise to have this type of tax, they can write it into the Constitution and then submit it to the people.

Mr. President, we feel, at this time, that there is nothing which can be done except drop it from the calendar. It would certainly be very silly to not drop it, because we do not have sufficient days to consider it during this Session of the Legislature.

Mr. DENT. Mr. President, as of this moment, I am not in possession of any definite knowledge today, any more than I was yesterday or the day before yesterday, that the adjournment of the General Assembly is set for such a date that we do not have sufficient time.

Mr. President, how am I to know that we are not going to meet Tuesday or Wednesday of next week? We were told that Saturday was the last day. When I wannted to make a fight upon this bill, I was told, "No, don't worry about it; it is going to be next week, Monday or Tuesday." If this is the first indication that we have a definite time

for the final adjournment of this General Assembly, then I think the people ought to know it. However, to say that we should have fought yesterday because today is too late, at least we should have been told yesterday that today was going to be too late.

Mr. President, I do not hesitate to say that we were outfoxed and you know when you out-fox an old hunter, you are doing a good job. I compliment the gentlemen on the other side.

And the question recurring,

Will the Senate agree to the motion?

Mr. DENT.. I ask for a roll call, Mr. President.

Mr. RUTH. I ask for a roll call, Mr. President.

The yeas and nays were required by Mr. DENT and Mr. RUTH, and were as follows, viz:

YEAS—30.

Berger,	Harney,	McCusker,	Taylor,

SENATE RESOLUTION No. 53 REPORTED FROM COMMITTEE

Mr. McPHERSON, JR. Mr. President, I ask unanimous consent to make report from committee at this time.

The PRESIDING OFFICER. Is there objection? The Chair hears none.

Mr. McPHERSON, Jr. from the Committee on State Government, to which was referred resolution offered by Mr. Miller on July 7, 1953, reported the same without amendment, as follows:

DIRECTING THE JOINT STATE GOVERNMENT COMMISSION TO MAKE A STUDY OF SANITATION IN SUBURBAN COMMUNITIES

In the Senate, July 7, 1953.

Whereas, The increased number of housing developments in suburban and rural areas has superimposed problems upon these areas with which they are often unprepared to cope; and

Whereas, The laws governing these suburban and rural areas and the attitudes of the population therein are frequently attuned to life in sparsely settled rural areas rather than the dense population now burdening them and creating problems associated with the gathering of dense masess of people in small areas; and

Whereas, The problem of sewerage, sanitation and collection of refuse which require municipal guidance, control and action in order to safeguard the well-being and health of the populance often cannot be met by newly organized communities or by old communities newly saturated with population overflowing the borders of nearby cities; and

Whereas, Individual attempts at sewerage disposal such as septic tanks have frequently proved inadequate and inefficient and consequently the cause of disease and discomfort; and

Whereas, Lack of garbage collection has caused the piling up and collection of refuse near human habitations and along public highways, in such a manner as to create eyesores, spread disease and to emit other manifestations of filth and unclealiness so as to raise grave doubt about our much vaunted high standards of living; therefore be it

Resolved, That the Joint State Government Commission is hereby directed to study the problem of sanitation in the various suburban communities of this Commonwealth with particular stress on sewerage and collection of garbage and other refuse and the effects upon the population of the communities concerned; and be it further

Resolved, That the commission shall report its findings and recommendations to the next regular session of the General Assembly together with such proposed legislation as may be necessary to carry out the same.

SENATE RESOLUTION NO. 53 ADOPTED

A motion was made by Mr. MILLER and Mr. STEVENSON,

That rule 39, which requires resolutions reported from committee to lie over for one day be dispensed with and the Senate proceed to the consideration of the foregoing resolution.

Which was agreed to.

On the question,

Will the Senate agree to the resolution?

It was agreed to.

On the question,

Will the Senate agree to the amendments?

Mr. HOLLAND. Mr. President, these amendments put into House Bill No. 1658 the contents of House Bill No. 1655. They consist of a package of four, which was agreed upon by the Administration and labor. House Bill No. 1658 and House Bill No. 1655 were companion bills. House Bill No. 1656 and House Bill No. 1657 were companios bills.

Mr. President, if House Bill No. 1658 is passed only, some of the concessions which were given by labor to the Administration are contained in this bill. However, the increase in unemployment compensation of $2.50 a week is contained in House Bill No. 1655. Therefore, labor is losing in this situation. They agreed with the Administration that they would not offer any amendments, but would take the package of four as a whole.

Mr. President, I feel, at this late date, that to drop House Bill No. 1655 is breaking a pledge and not acting in good faith.

Mr. MAHANY. Mr. President, I do not know of any agreement that was made and certainly if there were any agreement made to bind this Senate in any way, surely the leaders of the Senate should have been consulted. Therefore, we intend to act upon this lgislation as the Senate, itself, feels that it should.

Mr. President, House Bill No. 1655 was not reported from committee. We feel that labor certainly is getting great benefits under House Bill No. 1656, House Bill No. 1657 and House Bill No. 1658. The fact that they do not get all the benefits that they think they should have under House Bill No. 1655 is not pertinent at this time. Therefore, I ask that my colleagues vote "no" on these amendments.

Mr. DENT. Mr. President, I think that Senator Holland, in making his remarks, was trying to show the Senate that all four of these bills had been discussed around a conference table with persons in authority, both in labor and in industry and persons in authority in the Administration. However, I do not think he meant to infer in any way that the leaders of industry, or the leaders of labor or the leaders of the Administration had made any kind of a proposition to and with each other that was not pen and aboveboard.

Mr. President, the question before the Senate now is whether or not the Senate, as a whole, wants to take the same position that the House took. I was not considered or asked to be in on any conferences or any deals, nor was any Member of the Senate with whom I have talked. However, the four bills were considered a package by the House of Representatives. They were sent over here and the Senate committee decided that in House Bill No. 1656, House Bill No. 1657 and House Bill No. 1658, the program was sufficiently being advanced so that House Bill No. 1655 was not necessary.

Mr. President, House Bill No. 1655 was a bill that, as I understood it, only did one thing. It raised unemployment compensation up to the same rate schedule as workmen's compensation and occupational disease compensation. Ever since the introduction of unemployment compensation and occupational disease compensation laws, they have been on the same rate and the same scale in so far as payments are concerned, weekly payments. Labor, at this time, has asked me to present to the Senate a proposition in protest to departing from that procedure. They feel that all of the compensation payments ought to be in the same price or wage category. Therefore, they protest it.

Mr. President, labor and labor representatives are not fools, nor are they unmindful of the fact that the Members of this Senate also have a right and a duty to perform. They realize that if they cannot get all of what they have asked for, they must take the best that they can get. Therefore, we are attempting at this time to amend House Bill No. 1658 to carry out the desires and the pleasures of labor. However, in the final analysis, I think all of us will vote for the entire labor package. Mr. President, it is not a Republican package; it is as much a desire of every Member of the Democratic Party to raise the benefits in the different compensations in the Commonwealth.

And the question recurring,

Will the Senate agree to the amendments?

MOTION THAT AMENDMENTS BE ADOPTED

Mr. HOLLAND. Mr. President, I move that the amendments be adopted.

Mr. DENT. Mr. President, I second the motion.

On the question,

Will the Senate agree to the motion?

Mr. HOLLAND. I ask for a roll call. Mr. President.

Mr. SILVERT. I ask for a roll call, Mr. President.

The yeas and nays were required by Mr. HOLLAND and Mr. SILVERT,and were as follows, viz:

YEAS—19

On the question,

Will the Senate agree to the amendment?

(A voice vote having been taken, the question was determined in the negative.)

Will the Senate agree to the title?

It was agreed to.

And said bill having been read at length second time and agreed to,

And said bill having been read at length the third time, and agreed to,

And the amendments made thereto having been printed as required by the Constitution,

On the question,

Shall the bill pass finally?

Mr. LEADER. Mr. President, I rise in opposition to this bill because I believe the rural boys and girls of Pennsylvania are entitled to a little more consideration than what we are giving them in this instance.

Mr. President, this bill is fundamentally bad because it breaks the first rule of organization in that it divides responsibility and authority. We are saying to the school boards of the Commonwealth that you have the responsibility to provide the instruction and the housing for the boys and girls of your district, but you do not have the authority to provide the housing unless you first get the consent of the electorate in your district.

Mr. President, this is a complete about-face in our program in so far as rural education is concerned. It will stop all forming of jointures in the Commonwealth. Up to this time we not only pay an incentive of $500 per school unit where jointures are formed, but also in the 1951 Session we assumed part of the rental to be paid to these authorities built by the jointures.

Now, Mr. President, what is the electorate voting on in this instance? They are voting on an estimated cost of the building and equipment. No allowance is made for financing costs, sewerage connections, roads, land-

scaping, site and many of the other costs that go into school construction.

Mr. President, suppose the electorate does vote favorably on this estimated cost of building and equipment. Then, the boards find that because of these other costs, these additional costs, or because of the rise in building costs or an increase in the cost of equipment, that the over-all cost is going to be considerably higher than this estimate approved. Does this bill give us the answer as to what the school board is then to do? I believe it does not; I believe it is quite obvious that it fails to do that. The whole project may very well be stymied.

Mr. President, it all leads up to one conclusion and it simply is this. In areas where school facilities are inadequate, they have but two choices. First, they can run two shifts or possibly three shifts in the school system, or they can build more of the type of antiquated school buildings that we now have so many of in the rural communities of Pennsylvania. We can have more one and two room units or temporary facilities.

In fact, Mr. President, most of the jointures that were formed in 1949 and 1950 already need additional facilities. I am wondering whether or not it will be necessary for these boards to get a vote from the electorate to put additional wings on these new school buildings. I believe that it will.

Mr. President, it is quite obvious, I think, that the intent and purpose of this bill is to stop our modernization program in the rural sections of Pennsylvania. It will stop all formation of jointures, and it will stop the building of the fine new structures which are springing up all over the Commonwealth.

Mr. President, some may say, "Well, why can't the Public School Building Authority take up the slack if the local municipal authorities are not going to be able to build?" The only slack that I have observed which they have been able to take up recently was $700,000 in our budget for administrative costs. It appears as though the time is not far off when the cost of administering the Public School Building Authority will exceed that of administering the entire Department of Public Instruction.

Mr. President, I believe Governor Fine deserves a great deal of credit for what he has done thus far during his Administration for education in Pennsylvania, particularly for rural education. I believe that just as Governor Pinchot was remembered and respected by the rural people of Pennsylvania for the roads that he built, I believe that John Fine, our present Governor, could very well be remembered for what he has done for rural education. However, should he follow in this about-face in policy which we are having here in the General Assembly, and possibly an about-face on the part of the Department of Public Instruction—and I suspect that it is—should the Governor follow along this line, it certainly is going to be a tremendous blot on the magnificent record he has made up to this point.

Mr. President, the rural people of Pennsylvania do not expect very much and seldom get very much out of this General Assembly, I am sorry to say. I am sure that they never forget when they do receive fair treatment, and I am equally sure that they will never forget when they receive unfair treatment, as they do in House Bill No. 1348.

Mr. President, I want to say to the people from the metropolitan areas that when we fail to properly educate the youth of Pennsylvania in the rural areas, it is also going to hurt our metropolitan areas as well. Our metropolitan areas fail to maintain population. They have to depend on a tremendous influx of people from the rural portions of the Commonwealth in order to maintain their labor supply. If we are going to have people who are incompetent and inadequately trained coming into the cities of the Commonwealth, they, too, shall suffer along with the rest of us. We must realize that educational facilities that were adequate a generation ago are no longer adequate today, either for living in rural communities or in the cities. We must bring our rural communities up to date.

Mr. President, I think it has been traditional that we in the rural communities were supposed to get the left-over teachers, the ones who had not moved on to the metropolitan areas, in order to receive the benefits of better facilities and higher salaries. I think it is a little ironical that this type of legislation should have been brought forth, should have been conceived and promoted and supported, I might add, by people from the rural areas of Pennsylvania rather than by people in the great cities.

Mr. President, I want to say in conclusion that I certainly hope the Members of this Senate, on both sides, particularly those who are directly connected, who represent the rural areas in Pennsylvania, will think twice before they stick the knife into a fine educational program that has been going along so nicely for the past several years.

Mr. WAGNER. Mr. President, I should like to briefly explain the philosophy back of this bill, which I feel certain we will finally pass here this afternoon.

Mr. President, I want to preface my statement by saying the same thing as I said a couple days ago when the Senator from Westmoreland and I were debating a school bill. Senator Leader, just as Senator Dent, is a supporter of education in the public school of Pennsylvania. We are in accord on that and we have been all along the line.

Mr. President, I am a little concerned about the statement that the program is being wrecked and being ruined and the rural boys and girls will not have an opportunity to get their fair share of education. I do not like to hear that coming from anyone from York County, because I want to say to you that if all of the counties of the State had participated in the bonuses and the building assistance to the proportionate extent of their size, which your county has, I do not know how we would have been able to stay in business here in the Commonwealth of Pennsylvania. I have a list, which I do not believe is complete, of fourteen schools or more already in jointure arrangements in York County who are getting bonus payments over and above the usual school subsidies of $103,866 a year. Surely the boys and girls in the rural areas of York County have profited handsomely thus far from the building assistance that the State gives.

I want to point out, Mr. President, that what we are trying to do here—and I suggest that Senator Leader remember this if he will—is to continue the building program but curtail it to a point where the local people

will be certain what they are authorizing, and where the State will be able to absorb the increased cost. Our appropriation for this biennium for the State's participation in rentals and school building authorities is fourteen times as much as was spent last biennium. If the same pattern continues and the building were accelerated to the same extent over the next two years, that item alone in the budget would be sixty millions of dollars.

Mr. President, let us please be fair. Let us not accuse either the Administration or a party that has done marvelous things in Pennsylvania for our school children of welshing on their obligations. I have been in the forefront of the progressive school program; I co-sponsored the original building authority legislation for schools here in Pennsylvania. The last thing that I want to see happen is for this thing to be accelerated to a point where the taxpayers of Pennsylvania insist that we put a stop to this growth in school aid. It would throw us back probably ten years of normal progress at the rate that we are going.

Mr. President, I would like to assure the gentleman from York, and I would like to assure the Members of the Minority Party and I would like to assure my colleagues on our side of the Senate that this is good business and it is good school legislation. It is going to give us an opportunity to see very clearly and definitely, through this biennium, where we are heading, and how fast we are to go. It is going to keep us from overstepping the bounds to the point where the whole school program will flop.

Mr. President, I am happy to support the bill. I encourage its adoption and if there are any gimmicks in it, I am sure that they will be ironed out in a conference which apepars will be held between the House and Senate.

Mr. LEADER. Mr. President, I would like to say to the very fine gentleman from Schuylkill, Senator Wagner, that we in York County are not unaware of the tremendous benefits we have received from this program. By the same token, we are not unaware that there are many other communitis that are not nearly as far advanced in the program as we are. We believe that they should have the same benefits and the same opportunities that we have had.

Mr. Prsident, of the $250,000,000 limitation in this bill on expenditures under local municipal authorities for building schools, there is no assurance whatsoever that those communities that need the schools most are going to get there first. In other words, districts that may not need schools too badly perhaps shall build and those who need them desperately, because we have passed this $250,000,000 limitation on expenditures, may not be able to get them.

Shall the bill pass finally?

PERMISSION TO ADDRESS SENATE

Mr. DENT asked and obtained unanimous consent to address the Senate.

Mr. DENT. Mr. President and Members of the Senate, I just picked up a newspaper yesterday and read where the House, by a vote of 98 to 68, defeated a bill that would limit the work week of children to forty hours a week and would compel them to go to school in the month of September.

Mr. President, I wondered what the bill was about and I started to make a very hurried investigation. I found I was astounded to find that here in Pennsylvania conditions in the so-called migrant labor camps in the Commonwealth of Pennsylvania. As I delved into the subject, I was astonished to find that here in Pennsylvania conditions are permitted to exist that have been outlawed even in the deep South for over twenty years.

Mr. President, when I was just a young fellow, I spent a slight vacation riding the rods of the railroad freights in this Country in almost every State in the Union. I must have been around fourteen or fifteen years of age at that time. Even at that time, a deep impression was made upon me by the labor conditions in the fields of the sharecroppers of the South. I suppose it had a great deal to do with molding my opinion for the rest of my life in regard to conditions of underprivileged workers and those who, for no fault of their own, are condemned to work without any regard from local communities.

Mr. President, these are the facts that I have found here in Pennsylvania with just a short examination. I tried my best to get a copy of an investigation that was made at the request of the Governor by an independent body, but I was unable to do so. However, I was able by making a few calls to get some information that I believe the Senate should have. I do not believe that any Member of this Senate is fully unaware of the conditions as they exist in the Commonwealth of Pennsylvania, in

this year of our Lord, 1953. This is a confidential memorandum sent to me. With the permission of the Senate, although I know the hour is late and not many of us want to stay around, I would like to read just a few excerpts from this information:

"Report of camps in the North Central Area. The camps in this area are by far the worst of any visited. The largest one of these is situated a few miles out of the town of Ulysses, far in the backwoods. Here, in an old, decrepit barn and a dilapidated, abandoned farmhouse are 'housed' 500 migrant farm laborers, all of whom are Negroes mainly from Florida and some from Georgia and South Carolina. This camp is run by a labor agent known as Slim Robinson, a Negro, who also is in charge of several other camps. The people in this camp are employed by a farming group known as Tarbox and Scherman who own the camps.

"In the course of my inspection, I found one outhouse and a shower for the 500 inhabitants. The laborers are housed in rooms approximately 10x20 feet and slept on wooden bunks built above each other, upon which straw has been laid. Sometimes the straw is in burlap bags and other times just the straw. In these rooms, men, women and children live together, approximately 15 in a room. There are no windows in most of these rooms and the stench is overwhelming. They are filthy with vermin, rats and mice. In this camp there is a communal kitchen, but each family buys their food from Slim Robinson who has set up a store on the camp premises. It is my observation that they paid three and four times the usual price for commodities. For example, 15c for a bottle of Coca Cola, 30c for a pack of cigarettes, etc. There is no way for these people to go into town. In addition to this, they are sold whiskey and wine at exhorbitant prices for which, of course, Robinson has no license. There are no medical facilities of any kind whatsoever. There have been several cases of serious illness and the ill person has been taken into Coudersport General Hospital, a distance of several miles for medical treatment. There is garbage strewn all over the grounds and I also observed many children with skin diseases and infected with sores. Many of the people did not have shoes.

"These migrant laborers have been harvesting three crops—peas, tomatoes and beans. I found that while the state has set a minimum of 75c a bushel for beans, the workers in this camp were only getting 50c a bushel because Slim Robinson withholds 25c a bushel for himself. In private conversations out in the field, I found that a sum of money is deducted from their earnings for transportation and another sum of money is deducted for their 'housing' usually two or three dollars a week.

"These people are transported in open trucks from the South in journeys that usually last three days and nights. During this period, they are fed by the labor agent and there usually is an interim period between the time they arrive and the actual harvesting in which the labor agent supplies the food. Quite naturally, therefore, they get into debt. This too is deducted from their wages."

Mr. President, I could go on and on and on, it is a three page memorandum, but I think I have impressed you. I have impressed you enough, although I do not think I have impressed the newsmen. I have advised them not to bother writing because I am more interested in the Senators getting the full import of this than I am the newspapers at this time.

Mr. President, I am seriously interested. I believe that these conditions are the worst that I have heard of in the twenty years I have served in this Senate. I believe these conditions are existing because the report gives names, and I understand the Governor's Committee has a report that would put this one to shame. I believe this Senate ought to do something about it. I believe that at this time we ought to pass a resolution and at least make an attempt to find out if this is true.

Mr. President, if you have ever lived in a coal mining town in Pennsylvania, forty years ago and thirty years ago, during a coal strike, and have seen the abject poverty and the misery and suffering on the face of those children in those communities, then you will understand how deeply this thing strikes. The fact that they are Negroes from the South does not alter the fact that they are human beings, the same as you and I. Those children, except by the accident of birth, could be your own.

RESOLUTIONS REFERRED TO COMMITTEE

REQUESTING THE GOVERNOR TO ORDER A COMPLETE AND THOROUGH INVESTIGATION OF MIGRANT LABOR CAMPS IN THE COMMONWEALTH

Mr. DENT. Mr. President, I ask unanimous consent to offer a resolution at this time.

The PRESIDING OFFICER. Is there objection? The Chair hears none.

Mr. Dent offered the following resolution which was twice read as follows:

In the Senate, July 25, 1953.

Whereas, the House of Representatives failed to pass House Bill 1347, and

Whereas, said numbered bill would have placed certain safeguards around the employment of minors and migrant workers, and

Whereas, the situation surrounding the migrant work camps in the Commonwealth of Pennsylvania is becoming a subject of national prominence, and

Whereas, many statements have been made concerning the plight of the migratory workers and the abominable conditions reported to exist in the field camps where they pay exorbitant prices for simple commodities and living conditions are described as being the worst in the entire United States, and

Whereas, this adverse publicity is injurious to the welfare of the Commonwealth of Pennsylvania, therefore be it

Resolved, that the Governor of the Commonwealth of Pennsylvania be herewith requested to order a complete and thorough investigation of the conditions reported to be existing in migrant labor camps in this Commonwealth, that this investigation be carried out by the Department of Labor and Industry, and that a full and comprehensive report be made to the Chief Executive of the Commonwealth, the Honorable John S. Fine, and the President Pro Tempore of the Senate, M. Harvey Taylor and Speaker of the House, Charles C. Smith, and the Majority and Minority Floor Leaders of the House and Senate of the General Assembly, and be it further

Resolved, that this report be submitted before the next regular Session of the General Assembly of Pennsylvania.

REQUEST THAT RULE 39 BE SUSPENDED

Mr. DENT. Mr. President, I ask unanimous consent that Rule 39, which requires resolutions be referred to an appropriate committee, be dispensed with and the Senate proceed to the consideration of the foregoing resolution.

The PRESIDING OFFICER. Is there objection?

Mr. MAHANY. Mr. President, I object.

The PRESIDING OFFICER. The resolution is referred to the Committee on Rules.

REQUESTING THE GOVERNOR TO PROCLAIM TWO WEEKS OF EACH YEAR FOR THE SOLICITATION OF FUNDS TOWARD CONTINUED RESEARCH OF MENTAL ILLNESSES AND TO APPOINT A BOARD OF TRUSTEES IN CONNECTION THEREWITH

Mr. YOSKO. Mr. President, I ask unanimous consent to offer a resolution at this time.

The PRESIDING OFFICER. Is there objection? The Chair hears none.

Mr. YOSKO offered the following resolution which was twice read as follows:

In the Senate, July 25, 1953.

Mental illness accounts for one of every seven hospitalized persons in the United States. Seven hundred thousand persons are confined in our mental hospitals while countless others are cared for at home by relatives and friends. One hundred fifty thousand persons are released as cured each year, and 30,000 others die in these institutions. Yet, the hospitals are flooded with applications at the rate of 200,000 per year, an excess of 20,000 over discharges and deaths. Five hundred thousand persons have been confined for at least five years and 125,000 have been hospitalized for at least twenty years.

Pennsylvania alone has seventeen mental institutions, housing about 47,227 persons, the cost of which was $32,-644,266 last year. Last year about 5,774 new admissions, plus 1,554 readmissions together with 446 transfers, a total of 7,793 persons were admitted to Pennsylvania asylums. The per diem cost per capita is $2,375 or a total cost of $886.87 per patient per year

A national survey indicated that medical and psychiatric treatment have made supposedly incurable mental illnesses curable by a restoration of the balance of body hormones, and correction of vitamin deficiencies coupled with psychiatric guidance. Complete success is not promised for every case, but the successes already achieved have only begun to scratch the surface. Continued research and the ultimate success of this program is now seriously hampered by a lack of funds. For 1953, funds for research totaled less than three million dollars.

In view of the present number of persons now in mental institutions and the increasing number of applicants for admission thereto, and the success of the recent medical and psychiatric findings; be it

Resolved, That the Governor officially proclaim a period of two weeks in each year, during which time funds shall be solicited to provide money for continued research and study of mental illnesses by medical, surgical, biological and psychiatric specialists; and be it further

Resolved, That the Governor appoint a board of trustees, composed of nine members, to administer the funds so collected and to establish and administer a state program designed to eradicate mental illness.

REQUEST THAT RULE 39 BE SUSPENDED

Mr. YOSKO. Mr. President, I ask unanimous consent that Rule 39, which requires resolutions be referred to an appropriate committee, be dispensed with and the Senate proceed to the consideration of the foregoing resolution.

The PRESIDING OFFICER. Is there objection.

Mr. MAHANY. Mr. President, I object.

The PRESIDING OFFICER. The resolution is referred to the Committee on Rules.

SENATE CONCURRENT RESOLUTION No. 148 TAKEN FROM TABLE

Mr. MAHANY. Mr. President, I call from the table Senate Concurrent Resolution No. 148, for consideration at this time.

The Clerk read the resolution as follows:

URGING THE PENNSYLVANIA STATE BOARD OF MEDICAL EDUCATION AND LICENSURE TO PROMULGATE RULES AND REGULATIONS RELATING TO INTERNSHIP AND LICENSURE OF GRADUATES OF FOREIGN MEDICAL SCHOOLS

In the Senate, June 13, 1953.

Whereas, Before World War II medical doctor diplomas granted by the Italian medical schools were recognized as sufficient to pass the licensure examinations of all the states of the Union, in accordance with an international agreement between the United States of America and Italy, which terminated at the beginning of the hostilities; and

Whereas, After the end of World War II and the resuming of friendly relations between the two countries, now bound by a common alliance in the N.A.T.O., many states of the Union have again recognized medical doctor diplomas of the Italian medical schools, among which are: New York, Connecticut, New Jersey, Illinois and California. Two of the aforementioned states are border states to the Commonwealth of Pennsylvania; and

Whereas, The Commonwealth of Pennsylvania, through the State Board of Medical Education and Licensure, by action taken on December 13, 1951, and officially communicated to the Italian Consul General in Philadelphia on December 17, 1951, ruled to "accept for internship and licensure in Pennsylvania only graduates from foreign medical schools that are recommended for approval by a recognized accrediting agency such as the American Medical Association. The cerdentials of each applicant, however, must be evaluated and approved by the Board even though the medical school has been recommended for approval by the American Medical Association"; and

Whereas, Italian medical schools cannot be recommended by the American Medical Association for at least two years because officials of the Association will have to make an inspection of said schools and the inspection will not be made prior to next year. A further delay will be occasioned in awaiting final action of the Board of Directors of the American Medical Association, after they study the results of the survey; and

Whereas, Italian universities do admit to the medical schools, American students only after a very careful screening through the local Italian Consulate, an advisory board of New York, named by the Board of Medical Examiners of the State of New York, the Italian Foreign Ministry and finally the academic board of the Italian medical school chosen by the American applicant; and

Whereas, There are, at this moment, about ten young Americans from Pennsylvania studying in medical schools in Italy and, of these, two or three will receive their medical doctor diplomas in 1954; and

Whereas, The actual ruling of the Pennsylvania State Board of Medical Education and Licensure will oblige these new doctors to spend another year away from their families so as to obtain the licensure in one of the border States of New Jersey or New York, after which they will be automatically licensed also for Pennsylvania. This imposes further financial burdens, hardships and many inconveniences to the future doctors and to their families; and

Whereas, It would be extremely suitable and proper that the Pennsylvania State Board of Medical Education and Licensure should follow the example of New York, New Jersey, Connecticut, Illinois and California, and admit directly the doctors licensed by Italian medical schools to take their licensure in Pennsylvania through direct evaluation and approval by the aforementioned State Board of Medical Education and Licensure; and

Whereas, There seems to be no point in maintaining the rule approved in December 1951, when two of the border states of Pennsylvania have again recognized the Italian medical schools, and in as much as the Italian medical schools have been rebuilt and re-equipped after the war damages largely through the financial and technical assistance of the United States Government through the E.C.A. and the M.S.A.; therefore be it

Resolved (If the House of Representatives concur), That the General Assembly of the Commonwealth of Pennsylvania protests the regulation, relating to acceptance for internship and licensure of graduates of medical schools in foreign countries, made by the Pennsylvania State Board of Medical Education and Licensure on the thirteenth day of December, one thousand nine hundred fifty-one, as being unreasonable; and be it further

Resolved, That the Pennsylvania State Board of Medical Education and Licensure is hereby urged to promulgate rules and regulations relating to internship and licensure of graduates of foreign medical schools similar to the progressive States of New York, New Jersey, Connecticut, Illinois and California and to license such graduates of medical schools in foreign countries after evaluation and approval by the said Board of Medical Education and Licensure.

SENATE CONCURRENT RESOLUTION NO. 148 ADOPTED

Mr. MAHANY. Mr. President, I move that the Senate adopt the resolution.

Mr. DENT. Mr. President, I second the motion.

On the question,

Will the Senate agree to the motion?

The motion was agreed to.

Ordered, That the Clerk present the same to the House of Representatives for concurrence.

SENATE RESOLUTION NO. 57 TAKEN FROM TABLE

Mr. MAHANY. Mr. President, I call from the table Senate Resolution No. 57 for consideration at this time.

The Clerk read the resolution as follows:

DIRECTING THE JOINT STATE GOVERNMENT COMMISSION TO STUDY THE OPERATION OF "THIRD STRUCTURE TAXES" AS IMPOSED IN OTHER STATES

In the Senate, July 17, 1953.

Whereas, The volume of traffic upon the public highways throughout the nation has increased greatly since 1945; and

Whereas, The composition of this traffic has changed and become increasingly diversified; and

Whereas, The increase in traffic volume is reflected in motor vehicle registrations in the Commonwealth, which increased from 2,122,654 in 1945 to 3,456,764 in 1952; and

Whereas, In consequence of the increase in, and diversification of, vehicular traffic, numerous states have imposed "third-structure taxes," such as mileage levies, ton-mile levies, and differentiated weight-distance taxes; therefore be it

Resolved, That the Joint State Government Commission is hereby directed to study the operation of "third-structure taxes" as imposed in other states, with particular emphasis upon weight-distance taxes; and be it further

Resolved, That the Commission shall report its findings and recommendations to the next regular session of the General Assembly.

SENATE RESOLUTION NO. 57 ADOPTED

Mr. MAHANY. Mr. President, I move that the Senate adopt the resolution.

Mr. BERGER. Mr. President, I second the motion.

On the question,

Will the Senate agree to the motion?

The motion was agreed to.

SENATE RESOLUTION NO. 58 TAKEN FROM TABLE

Mr. MAHANY. Mr. President, I call from the table Senate Resolution No. 58 for consideration at this time.

The Clerk read the resolution as follows:

DIRECTING THE JOINT STATE GOVERNMENT COMMISSION TO STUDY AND INVESTIGATE THE PRACTICES OF COMMONWEALTH-OWNED AND COMMONWEALTH-AIDED COLLEGES AND UNIVERSITIES REGARDING ADMISSION OF NON-RESIDENT STUDENTS

In the Senate, July 17, 1953.

Whereas, Commonwealth appropriations to Commonwealth-owned and Commonwealth-aided colleges and universities have increased from $18,098,446 for the biennium 1945-47 to $53,215,380 (recommended by the Governor in his Budget for the biennium 1953-55); and

Whereas, Some of the institutions of higher learning which receive public funds admit nonresident students; therefore be it

Resolved, That the Joint State Government Commission is hereby directed to study and investigate the practices of Commonwealth-owned and Commonwealth-aided colleges and universities with respect to the admission of non-resident students, the costs and tuition charges involved in the education of such students, and the financing of these costs from Commonwealth funds and other sources; and be it further

Resolved, That the Commission shall report its findings and recommendations to the next regular session of the General Assembly.

SENATE MESSAGE

SENATE RESOLUTION FOR CONCURRENCE

The Clerk of the Senate being introduced presented an extract from the Journal of the Senate, which was read as follows:

In the Senate July 13, 1953. (Serial No. 147).

The old Monongahela Trail in western Pennsylvania has been a part of the history and development of our State since the first Indian tribes moulded it out of the wilderness;—The Monongahela Trail that travels along the greatest Valley in the World through the heart of America. During the early 18th century thousands of Americans moved down the Monongahela River by barge to the great Ohio River at the point in Pittsburgh. On this trail is found the point where General Edward Braddock was mortally wounded during the French and Indian War, the headquarters used during the Whiskey Rebellion; the place where the first inland steamboat was built; and the place where the Flagship of the Texas Navy was built. It passes the famous point in Pittsburgh, the site of historic Fort Duquesne. It follows the Monongahela River, which carry more tonnage in water freight each year than either the Panama or Suez Canals. It winds through the greatest industrial area in the world, the steel capitol of the world, one of the greatest Glass manufacturers and one of the most famous coal mining areas of the world. The Monongahela Trails pass the trail to the Ten Mile Creek at Rices Landing in Green County and travels through one of the most beautiful sections of Pennsylvania, where nature's splendor rivals the scenery of any part of the world, and provides a stunning contrast to the developments of men. It is an area where the majestic hills of Pennsylvania display a magnificence that fills the beholder with awe.

It is tragic that thousands of people travel the Monongahela Trail unaware that they are surrounded by history and a tradition of honest hard labor and devotion to God and County that is surpassed no where in the world; therefore be it

Resolved (if the House of Representatives concur) That the old Monongahela Trail starting at the great Point on the south side of the Monongahela River across from Fort Duquesne, the great Gateway to the West; thence up through the south side of the City of Pittsburgh on up the Valley through West Homestead, Homestead, Munhall, Whitaker, West Mifflin, City of Duquesne, Dravosburg, City of Clairton, West Elizabeth, Jefferson, Elrama in Allegheny County; thence up the Valley through New Eagle, City of Monongahela, Donora, North Charleroi, Charleroi, Spears, Allenport, Stockdale, Roscoe, Elko, Coal Center, California, West Brownsville, Vesta, Fredericktown, Millsboro in Washington County; thence up the Valley to Rices Landing in Green County on to Crucible, Jacobs-Ferry, Nemacoln, Greensboro, Poland; thence to the West Virginia State Line, be dedicated as a memorial highway in commemoration of the many contributions to the progress of America, made in this valley by people of this Valley; and be it further

Resolved, That the Department of Highways shall erect along said highways, suitable tablets or markers and shall carry out suitable landscape development to perpetuate this resolution, but shall not replace or change the officially designated route numbers or names or markers thereof of any highway included in the Monongahela Trail.

Ordered, That the Clerk present the same to the House of Representatives for its concurrence.

On the question,

Will the House concur in the resolution of the Senate?

It was concurred in.

Ordered, That the Clerk inform the Senate accordingly.

APPROPRIATION BILL ON SECOND READING

Agreeably to order,

The House proceeded to the second reading and consideration of Senate Bill No. 169, entitled:

Ordered, To be transcribed for third reading.

PERMISSION TO ADDRESS THE HOUSE

Mr. CLAPPER asked and obtained unanimous consent to address the House.

Mr. Speaker, it is with deep regret that I find it necessary to make a statement to the House at this time. During the past week, the Members of this House have permitted to pass over this calendar appropriation bill after appropriation bill. Many of these bills were Senate Bills. Many of the bills were good bills, but with all due respect to the members of the Appropriation Committee in the Senate, I think, in the words of Jim Lovett, those men should have been fair.

There are many Members of this House who had appropriations bills in that Committee that were very important to them and the constituents in their counties yet many of them were passed over. Many similar appropriation bills were also brought to the floor which were almost exactly like some that are still remaining in Committee.

I realize that many appropriations have been passed for the city of Pittsburgh and for Philadelphia. As a representative of Bedford County I find it necessary to rise to my feet to defend the desires of my constituents.

It was my opinion when many of these appropriation bills went to the Senate that they would pass in the Senate as they did in this House. I am sorry to learn that this was not the case. I do not cast any reflections upon the Members of the House but I do believe that many of these bills on this calendar today should be held up until some understanding is reached with the Senate Committee. I wish to state that it is quite possible before these bills are passed I might find it necessary to suggest the absence of a quorum.

PERMISSION TO ADDRESS SENATE

Mr. McMENAMIN asked and obtained unanimous consent to address the Senate.

Mr. McMENAMIN. Mr. President, Americans of this generation face two serious problems, communism and taxes. These are the twin evils that place a dark cloud on the horizon of the future of America.

In my opinion, Mr President, constantly rising taxes at all levels of government are just as real a threat to our American for of government as world-wide atheistic communism. Therefore, Mr. President, it is our duty to ex-

haust every effort to reduce governmental expenses and halt tax increases.

Mr. President, I would like to address a few remarks at this time to the problem of local taxation, particularly in third class counties. It is my firm conviction that there is an overlapping of governmental functions among the local governments in third class counties and that if this duplication can be eliminated, substantial tax savings can be effected at local levels. It seems to me that the most obvious approach to this goal is on the basis of a limited consolidation of city-county functions, following the pattern of the Philadelphia Charter.

Mr. President, an effort was made earlier in this Session by Senator Walker, of Allegheny County, to abolish the Registration Commission in the city of Pittsburgh. That bill passed the Senate but, unfortuneately, was lost in the House. I followed the progress of that measure very closely because in the city of Scranton we, too, have a Registration Commission. It is my opinion that that commission can sensibly be abolished, and its functions turned over to the county government with no loss in governmental efficiency. Such a move would save the people of Scranton and Lackawanna County at least $25,000 a year. Since that time, I have been studying to the best of my ability, this entire problem and have consulted with other Senators from third class counties who have joined with me in this resolution.

Mr. President, it was the consensus of opinion that a job of this magnitude and of this promise to the taxpayers of our localities was entitled to a long, fair and deliberate consideration by an impartial agency. The agency best equipped to do this is, of course, our Joint State Government Commission.

Mr. President, it seems that the greatest prospect for saving tax money to our localities is to study and try to eliminate the duplication of government between that of the county governments, and particularly with the third class cities in those counties. The greatest area which appears to offer hope is that in the assessment and collection of local taxes.

Mr. President, we have found that many others throughout the Country, experts on government, have been investigating and writing of the same problems. There are experts who visualize the day when municipalities will be set up on the basis of a municipal area, rather than on a city or a borough. This is highlighted by the population trends in recent years away from metropolitan business districts into the outlying suburbs, where people who work in the city live elsewhere and pay their local taxes elsewhere. There are other persons who visualize the day when in third class counties, at least, and perhaps in others, we will see in Pennsylvania county-wide school boards. In other words, every borough, township and city will not have a separate school board, but their functions will be consolidated and administered on a county-wide basis. It is hoped that through this measure, taxes can be reduced by increased efficiency in the administration of public schools.

Mr. President, there are, perhaps, other suggestions which can be made and other minds working on the problem can come up with even better suggestions. This will entail a great deal of study and long range planning. It is our belief that the Joint State Government Commission is well equipped to make such a study; that the job is worth doing and it is worth doing right. It will, of course, entail the changing of many laws and of writing many new statutes on our statute books.

For that purpose, Mr. President, on behalf of myself, Senator Watkins, Senator Dent and Senator Ruth, who have long been identified with the cause of good government, I offer this Senate Resolution requesting that such a survey be made by the Joint State Government Commission. If this cannot pass in the closing days of this Session, we are convinced that the problem of cutting local taxes must be the first order of business in the next Sesssion, eighteen months hence.

SENATE RESOLUTION

DIRECTING THE JOINT STATE GOVERNMENT COMMISSION TO STUDY THE PROBLEM OF ELIMINATING DEPULICATION OF GOVERNMENTAL SERVICES IN THIRD CLASS COUNTIES

Messrs. McMENAMIN, WATKINS, DENT and RUTH offered the following resolution which was twice read as follows:

In the Senate, July 27, 1953.

Resolved, that the Joint State Government Commission is hereby directed to study the problem of eliminating duplication of governmental services in 3rd class counties between the county government and municipal governments contained therein, and be it further

Resolved, that the Commission shall report its findings and recommendations to the next Regular Session of the General Assembly together with such proposed legislation as may be necessary to carry out the same.
